HCBOE Chromebooks Request for Quote

Habersham County Schools is requesting a quote for new Chromebooks and charging carts.

1) We are seeking educational model Chromebooks with the following features:

11-inch non-touch display Education Edition Chromebooks

Minimum Specifications

4G RAM and Celeron N4000 series processor with 2 cores

16GB Internal Storage

Battery life up to 13 hours

Rubberized edges and pick resistant keyboards and keys

MIL-STD-810G tested models are desired

One-year mail-in repair warranty included

Functional equivalent #1: HP Chromebook 11 G7 Education Edition Non-Touch part# 6QY22UT#ABA
Auto Update Expiration Date: June 2026

Functional equivalent #2: Dell Chromebook 3100 Education
Auto Update Expiration Date: June 2026

Newer model equivalents with later Auto Update expiration dates will also be considered.

Vendors may submit more than one quote for consideration.

Please provide documentation of exact model number included in all quotes.

Please provide Google Auto Update Expiration date for exact model included in quote.

2) We are also seeking Chromebook charging carts with the following features:

Intelligent charging capability required to avoid overloaded circuit breakers

Device capacity of 30 Chromebooks or laptops up to 14"

Fixed trays (no sliding trays) that are front loading

Easy to use cable management including cart rear holding devices for chargers

10 year cart and 5 year electrical warranty desired

Functional equivalent: AverCharge X30i+ part# CHRGEX30I

Please provide documentation of exact model number included in all quotes. Carts without intelligent charging capability or that come with two power cords are not desired.

Quantities Requested

QTY 50 Chromebook charging carts

QTY 1500 Chromebooks with chargers and cords

QTY 1500 Google Chrome OS Management Console Licenses, Education

Instructions for Bidders

A) Please register as a prospective respondent by emailing the project contact.

B) Please include in all quotes: (Complete Pricing Response Sheet)

- 1) Georgia State contract number if applicable for the purchase
- 2) Google Auto Update Expiration date for exact Chromebook models quoted
- 3) Manufacturer brochures and specifications of exact models quoted
- 4) If quoting more than one model, please provide a complete separate quote for each option
- 5) Shipping timelines from date purchase order received

Shipping Requirements

Shipping address has a tractor-trailer height dock so a lift gate truck is not required.

Pallets may not be double stacked, only single height door to dock area.

Customer desires for all devices to be delivered in large quantities, not 2 or 3 devices each day.

Customer desires for Chromebooks to be delivered in multi-packs to decrease packing materials, please specify availability.

Shipping Options

Please indicate if total order can be divided up into two or more shipments over two or more weeks to improve the logistics of receiving and processing the new devices. Please list what options are available.

Additional Services

This quote request is for hardware and software delivered to address requested and does not include installation or deployment services. Chromebooks will be configured and delivered by school system staff.

Optional Services

Please provide optional pricing for pre-wiring charging carts prior to shipment if available. This will be listed as **Option A** on the **Pricing Response Sheet**. Option A may or may not be selected.

Questions

Please direct any questions to the RFQ contact listed below in writing via email. Questions and responses will be sent to all registered bidders prior to the quote due date.

Due Dates

All questions must be submitted by via email by Thursday, April 2, 2020.

All quotes are due via email by Wednesday, April 15, 2020. Please submit using pricing response sheet and include specifications and warranty information as requested.

Any quotes received after the due date will not be considered.

The Habersham County Board of Education reserves the right to accept or reject any and all proposals and to waive technicalities.
