

We're looking forward to the start of the 2018-2019 school year. We will be covering the same roads as we have in the past on our regular bus routes. The bus stops should be close to the same location. Most of our buses on a morning route will pick up students, go to a home school, and unload students that attend that school, make transfers to and from appropriate shuttle buses, and then proceed to a second school as a shuttle bus. In most cases the opposite is true for the afternoons with the buses shuttling back to their home school before going home. Please be aware that our drivers will let the students know how to make the transfers and the schools will have that detailed information as well. If you have any questions, call your school or transportation department at 706-754-2110.

Baldwin Elementary

We start with the exception to the general rule of having to transfer and shuttle. Students that attend Baldwin Elementary will ride only with other Baldwin students in grades K – 5. This means that no shuttle bus will be at Baldwin Elementary. Any student who is in the 6th through 12th grade and lives in the area, should walk to Willingham Ave. and catch the regular route bus for 6th through 12th grade students.

K-5 Routes

Driver: Linda Wingo

Bus # 09-75

School: Baldwin Elementary

Grades: K-5

Bus Route:

Clarkesville Elementary

The Clarkesville District is so large that we can't get all buses on the Clarkesville Elementary campus at the same time. So, Clarkesville Elementary will be the home school for half of the buses and North Habersham Middle School will be the home for the

other half. Buses will go to their assigned home school first in the mornings, make their transfers and then shuttle to the appropriate school. In the afternoon they will shuttle back to their home school.

Driver: Sandra Tanksley

Cornelia Elementary

The Cornelia Elementary District is unique in that we may have to run two routes per bus to pick up and deliver students similarly to what's been done in the past. There are NO Shuttles for 6th – 12th Grade from Cornelia to Wilbanks Middle School. All 6th – 12th Grade Students will be picked up and dropped off by SEPARATE BUSES which will deliver directly to WMS. Each Elementary Bus will have a “Short Run” and a “Home Run” in both AM and PM.
