**Robert Mark**

Director of Special Education

For the 2021-22 School Year, the Hadley-Luzerne Central School District will be offering Kindergarten-12th Grade ELA and Math tutoring to students.

Selected teachers will provide one-hour tutoring sessions to individuals and small groups on school days, beginning at the end of the day's regular instruction. Students will be able to join in-person or remotely. Later start times may be available for students who participate remotely and need time to get home before starting. Alternate times (before school, evenings, weekends) may be available if a specific tutor offers to do so.

There will be no transportation provided for tutoring. Students must be picked up from school after on-site tutoring ends (or dropped off if before-school tutoring is offered).

Once your request is accepted, a teacher will reach out to you to make arrangements. If there are no teachers available at that time, you will be notified that your child has been added to a waiting list. Please be aware that, if your child misses two tutoring sessions in a row, tutoring may be ended.

If you are interested in having your child attend tutoring sessions, please fill out the form below.

Thank you.

Robert Mark

Director of Special Education
