Number of  
the day and  
Word of the  
Day

# Math and Word Daily Activity

This free download is for Word of the Day and Number of the Day forms that can be used in centers, lessons, or Morning Meetings! For repeated use, laminate the pages and use write on/wipe off markers!

The Word of the Day sheet has a blank box to write a word at the top. You then complete each box:

Word Family it belongs to

Draw a picture of the word

Write a word it rhymes with

Write or draw what it reminds you of

The Number of the Day sheet has a box for you to write the number. You then complete each box:

Place value box: ones, tens, hundreds

Solve it box: find 1 more, 1 less, 10 more, and 10 less

Tally box- mark the tallies for that number

Make Change- Draw or post the coins to make that number in money form.
