

Signal Mountain Middle/High School

International Baccalaureate Institute

Institute Name

Pathway:

- International Baccalaureate

Future Ready Institutes Highlights:

- ★ Small Learning Communities - Students will be a member of a smaller learning community, or “school within a school” containing students all with similar career interests.
- ★ Engaging Learning Opportunities - Students will be engaged in project-based learning opportunities, hands on learning as well as instruction with real world connections around the career theme.
- ★ Business and Community Partnerships - Institutes will be connected to local business and community partners. These partnerships will allow for opportunities for students to learn from successful career professionals.
- ★ Post-Secondary Jumpstart - The institute will allow students the opportunity to earn the International Baccalaureate Diploma and the opportunity to earn college credit prior to attending college. Students who participate in the IB Institute will take rigorous, challenging courses and will complete the Institute’s program ready to succeed at the college level.
