

Sole Source Notification

(Posted to School Board of Hardee County website at 2:00 PM EST on July 2, 2018)

The School Board of Hardee County may purchase a server software upgrade and HVAC controls for two elementary schools from a specified vendor at a cost of \$48,300. The proposed scope of services is attached. The School Board believes that the specified server software upgrade and HVAC controls are available only from a single source.

Pursuant to State Board of Education Rule 6A-1.012(12)(d), the School Board requests that other prospective vendors provide information on their ability to supply the specified server software upgrade and HVAC controls to the following address:

School Board of Hardee County
Attn: Greg Harrelson, Finance Director
P.O. Box 1678
1009 N. 6th Avenue
Wauchula, FL 33873
or
gharrelson@hardee.k12.fl.us

Any information received by the School Board after 2:00 PM EST on July 12, 2018 will be returned to the sender. The information submitted should include the vendor's name, address, phone number, specific information and prices. On July 16th, School Board staff will review any information received from prospective vendors and determine if the server software upgrade and HVAC controls are available only from a single source. The School Board will provide notice of its intended decision to enter a purchase contract in the manner specified in Section 120.57(3), Florida Statutes.

BID PROPOSAL

This proposal, dated 4/23/2018, is for the installation and programming of the new Honeywell WEB's N4 server software and the phased upgrade and replacement of the existing JACE's. Below is an outline of the scope of services.
