

Florida's 2019-2020 ESE Parent Survey February 1 – May 31

Parents!

**We need your help to make Florida's 2019-2020
ESE Parent Survey a record success**

Each year, the Florida Department of Education (FDOE) surveys parents of children with an individual educational plan (IEP) to determine how well your child's school is partnering with you and promoting your involvement in your child's education. All states must collect this data as part of their State Performance Plan, as required under the Individuals with Disabilities Education Act (IDEA).

**Make your
voice heard!**

The web-based survey will open **February 1, 2020**.

You can complete the survey online at <http://www.esesurvey.com>

A paper survey from your child's school will be sent home, if you prefer to complete it in written format. You do not need to do both paper and online survey. **Only complete the survey one time.**

You may call your child's school to make arrangements to use a computer on campus or you may come into the ESE Office.

Your feedback is important in helping the state and local school systems continue improving educational programs for children with special needs.
Thank you!
