(Posted to School Board of Hardee County website at 3:00 PM EST on July 15, 2019  
Posting for seven business days will end at 3:00 PM EST on July 24, 2019)

The School Board of Hardee County may purchase i-Ready diagnostic and instruction reading and math site licenses for six schools for one year with on-site training from a specified vendor at a cost of approximately \$132,750. The School Board believes that i-Ready licenses and training are available only from a single source.

Pursuant to State Board of Education Rule 6A-1.012(12)(d), the School Board requests that other prospective vendors provide information on their ability to supply i-Ready reading and math licenses and on-site training to Greg Harrelson, Finance Director at [gharrelson@hardee.k12.fl.us](mailto:gharrelson@hardee.k12.fl.us). Any information received by the School Board after 3:00 PM EST on July 24, 2019 will not be reviewed. The information submitted should include the vendor's name, address, phone number, e-mail contact, specific i-Ready license and training information and prices.

On or after July 25, 2019, School Board staff will review any information received from prospective vendors and determine if i-Ready licenses and training are available only from a single source. The School Board will provide notice of its intended decision to enter a purchase contract in the manner specified in Section [120.57](#)(3), Florida Statutes.
