

## **Addendum #1**

1. **Question:**

- Can we get a look at the ancillary lines of coverage?

**Answer:**

- This procurement is for medical coverages only. However, if you would like to provide information regarding possible discounts on the overall medical pricing, please provide that information as an addendum Attachment 8.1, Question 3.12. List any additional information not listed that you would like to be considered as part of this proposal.
