

Hardee County Public Schools School Board Agenda Analysis

15.02

Author(s): Rob Krahl, Director of Educational Facilities

Date: October 13, 2016

Subject: Approval of Contract for the replacement of Air Handlers at Hardee Senior High School buildings 400 & 900

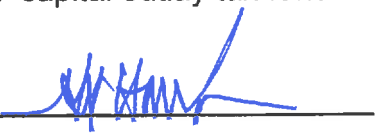

Background Information: At the regular Board Meeting on September 8, 2016 we asked, and were granted permission to advertise for the replacement of these two air handling units. It was advertised in the Herald Advocate on September 15, 2016. A pre-bid meeting was conducted on September 19, 2016, at which time the specifications were distributed, and all questions answered. Following the meeting a tour of the buildings was conducted to familiarize the contractors with the location and conditions.

Three contractors attended the pre-bid meeting, and all three submitted proposals. They have all performed work for us in the past, and are well qualified. The low bidder was Air Mechanical at \$68,515.00. Johnson Controls was second at \$69,001.00, and Cortez Heating and AC at \$82,785.00.

We ask that you approve this contract with Air Mechanical, which will allow us to have these units changed out over the winter and spring breaks.

Administrative Consideration (include F.S., Rule, Authority, etc.):
Primary reference: State Board Rule

Fiscal Impact: \$68,515 from 2016-17 capital outlay tax funds—already budgeted.

Director of Finance signature: 

Superintendent's Recommendation to School Board: Recommend approval of bid from Air Mechanical to replace two air handlers at Sr. High buildings 400 and 900 for \$68,515.
