

Hardee County Public Schools School Board Agenda Analysis

15.02

Author(s): Rob Krahl, Director of Educational Facilities

Date: March 22, 2018

Subject: Contract for the Replacement of the Roof
at Bowling Green Elementary Cafeteria

Background Information: At the regular Board Meeting February 6, 2018, we asked permission to advertise for bids on the Roof Replacement of the Bowling Green Cafeteria Roof. We held a pre-bid meeting on February 27, 2018 at which time Drawings and Specifications were distributed, and all questions answered. A visit to view the roof, and site conditions followed.

Two contractors, Crowther Roofing and Service Works Roofing attended the pre-bid, and submitted bids. The bids were opened on March 20, 2018. The base bid from Crowther is \$194,800.00, and from Service Works is \$205,700.

Crowther Roofing has done excellent work for us in the past both at the High School, and the Old Junior High. I therefore ask that you award this contract to them, which will allow the work to begin as soon as School adjourns out for the summer.

Administrative Consideration (include F.S., Rule, Authority, etc.):

Primary reference: State Board Rule

Strategic Plan Goal Three: To provide, maintain, and improve facilities that directly affect student achievement and safety.

Fiscal Impact: \$194,800 from unspent Capital Outlay and Debt Service funds.

Director of Finance signature: 

Superintendent's Recommendation to School Board: Recommend accepting the bid of \$194,800 by Crowther Roofing to replace the roof at Bowling Green Elementary cafeteria.
