**Date:** October 12, 2017

**Subject:** Approval of Contract for the replacement of Air Handlers at Hardee Senior High School buildings 200 & 800

**Background Information:** At the regular Board Meeting on August 24, 2017 we asked, and were granted permission to advertise for the replacement of these two air handling units. It was advertised in the Herald Advocate on August 31, 2017. A pre-bid meeting was conducted on September 15, 2017, at which time the specifications were distributed, and all questions answered. Following the meeting a tour of the buildings was conducted to familiarize the contractors with the location and conditions.

Three contractors attended the pre-bid meeting, and two submitted proposals. Both have performed work for us in the past, and are well qualified. The low bidder was Air Mechanical at \$108,000.00. Johnson Controls bid was \$110,269.31.

We ask that you approve this contract with Air Mechanical, which will allow us to have these units changed out over the Christmas break.
