

Hardee County Public Schools School Board Agenda Analysis

15.02

Author(s): Rob Krahl, Director of Educational Facilities

Date: May 24, 2018

Subject: Approval of a Contract to replace the Failed Underground Drainage System at Hardee Senior High

Background Information: At the regular Board Meeting on April 12, 2018 we asked for, and received permission to advertise for bids on this project. It was advertised in the Tampa Bay Times on April 19, 2018. A pre-bid meeting was conducted by Kevin Bynum, an Engineer with Long and Associates, on April 30, 2018. Drawings and Specifications were distributed, and all questions answered during a tour of the campus for location and conditions. Further clarifications in response to questions were addressed via E-mail on May 9, 2018.

Four contractors attended the pre-bid meeting, and three submitted proposals. Vera Contractors was the high bidder at \$583,986.00, Cobb Site Development was second at \$181,885.52, and E.O. Koch was the low bidder at \$115,001.00

E.O. Koch has done multiple jobs for the School Board in the past, and always performed well. Their schedule is to start on June 4, 2018 and complete on August 3, 2018. This will allow us to complete the project before start of the new school year. We therefore ask that you award this contract to them.

Administrative Consideration (include F.S., Rule, Authority, etc.):

Primary reference: State Board Rule

Fiscal Impact: \$115,001 from 2017-18 capital outlay tax funds, if approved at the May 21, 2018 public hearing.

Director of Finance signature: 

Superintendent's Recommendation to School Board: Recommend approval to award the contract to E.O. Koch to replace underground drainage at the Sr. High for \$115,001.
