

Hardee County Public Schools School Board Agenda Analysis

15.02

Author(s): Rob Krahl, Director of Educational Facilities

Date: August 27, 2018

Subject: Approval of Contract for the replacement of Air Handlers at Hardee Senior High School buildings 600 & 700

Background Information: At the regular Board Meeting on July 26, 2018 we asked, and were granted permission to advertise for the replacement of these two air handling units. It was advertised in the Herald Advocate on August 2, 2018. A pre-bid meeting was conducted on August 21, 2018, at which time the specifications were distributed, and all questions answered. Following the meeting a tour of the buildings was conducted to familiarize the contractors with the location and conditions.

Two contractors attended the pre-bid meeting, and both submitted proposals. Both have performed work for us in the past, and are well qualified. The low bidder was Johnson Controls at \$91,703.00. Air Mechanical's bid was \$110,300.00.

We ask that you approve this contract with Johnson Controls, which will allow us to have these units changed out over the Christmas break.

Administrative Consideration (include F.S., Rule, Authority, etc.):
Primary reference: State Board Rule

Strategic Plan Goal Three: To provide, maintain, and improve facilities that directly affect student achievement and safety.

Fiscal Impact: \$91,703 from 2018-19 capital outlay tax funds

Director of Finance signature: 

Superintendent's Recommendation to School Board: Recommend approval of contract with Johnson Controls to replace air handlers at Sr. High buildings 600 and 700 at the bid price of \$91,703
