

# Hardee County Public Schools School Board Agenda Analysis

**Author(s):** Rob Krahl, Director of Educational Facilities

**Date:** August 22, 2019

**Subject:** Approval of Contract to Re-roof building 10 at Wauchula Elementary

**Background Information:** At the regular meeting July 29, 2019 we asked for, and were given permission to advertise for the roof replacement of this building. We advertised in the Herald Advocate on August 1, 2019, and conducted a pre-bid meeting August 8, 2019. Four contractors attended the meeting, and three responded.

Allied Roofing from Tampa elected not to bid the project. Robert White Inc. bid was \$75,600.00, and E.O. Koch Construction's bid was \$68,381.00. The low bidder was L Cobb Construction at \$64,900.00

We therefore ask you to approve this contract, and allow the repairs to begin.

**Administrative Consideration (include F.S., Rule, Authority, etc.):**

Primary reference: State Board Rule

**Strategic Plan Goal Three:** To provide, maintain, and improve facilities that directly affect student achievement and safety.

**Fiscal Impact:** \$64,900 from capital outlay tax 2019-20 funds. This roofing project was budgeted at \$45,000. To move \$19,900 from capital outlay reserves will leave \$670,816 in capital outlay reserves.

**Director of Finance signature:** 

**Superintendent's Recommendation to School Board:** Award contract to re-roof building 10 at Wauchula Elementary to L. Cobb Construction for \$64,900.
