

# Hardee County Public Schools School Board Agenda Analysis

15.02

**Author(s):** Rob Krahl, Director of Educational Facilities

**Date:** 5-12-11

**Subject:** HSH Chiller Replacement

**Background Information:** At the regular meeting on March 28, 2011 the Board granted permission to advertise for bids for the replacement of a Chiller at Hardee Senior High. We advertised in the Herald Advocate on April 21, 2011, and faxed an invitation to bid to 5 contractors we have previously worked with. On April 28, 2011 we conducted a mandatory pre-bid meeting at the High School, at which time the RFP was distributed and questions answered.

Two contractors attended the meeting, and both of them responded. Review of their proposals showed both were well qualified, submitted a complete bid package, and were on time. Air Mechanical & Service Corp. submitted the low bid of \$108,361.00. This price is over 15% less than the other bidder.

I therefore ask permission to award this contract to them, allowing them to purchase the new equipment, and be able to install it during the summer while the students and teachers are gone.

**Administrative Consideration (include F.S., Rule, Authority, etc.):**

Primary reference: State Board Rule

**Strategic Plan Goal Three:** To provide, maintain, and improve facilities that directly affect student achievement and safety.

**Fiscal Impact:** \$108,361.00 from 2008-09 capital outlay tax funds.

*Director of Finance signature:* 

**Superintendent's Recommendation to School Board:** Recommend awarding contract to replace the chiller at Hardee Sr. High to Air Mechanical & Service Corp.
