Subject: Boy's Baseball & Girl's Softball Batting Cages

Background Information: At the request of Hardee Senior High's Athletic Department we asked the Boards permission to advertise this project for bids at the regular meeting October 25, 2011. We did so in the Herald Advocate on November 3, 2011.

We conducted a mandatory pre-bid meeting at the High School on November 10, 2011. At that time we issued the Specifications and Bid Forms. Two contractors attended the meeting, E. O. Koch Construction Company and The Steel Products Inc.

November 29, 2011 bids were received, and opened. E. O. Koch was the low bidder at \$116,156.00, The Steel Products Inc. price was \$117,959.74

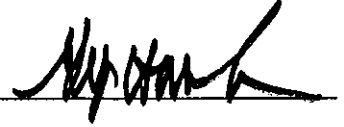

The Maintenance Department did an estimate to provide Electrical Service, and Lighting to both structures, a material only cost of \$3700.00. In addition the required netting was estimated by the Head Baseball Coach, Steve Rewis, at \$3000.00 and installed by them. They have an installed price of \$18,000.00 for the Turf, which could be done at a later date.
