Background Information:

This Facilities Work Program includes schedules in the format specified by the Florida Dept. of Education. The Board approved the Tentative District Facilities Work Program on September 27, 2018.

On October 4th, I e-mailed a copy of the Tentative District Facilities Work Program to city/ town managers in Bowling Green, Wauchula, and Zolfo Springs, and to the Hardee County manager for them to review and respond to me by October 10th. I will update you if I receive any responses.

On October 4th, we advertised a public hearing on District Facilities Work Program in the *Herald Advocate*. On October 5th, we posted the agenda for this hearing on the School Board website.

INTRODUCTION

The 5-Year District Facilities Work Program is a very important document. The Department of Education, Legislature, Governor's Office, Division of Community Planning (growth management), local governments, and others use the work program information for various needs including funding, planning, and as the authoritative source for school facilities related information.

The district's facilities work program must be a complete, balanced capital outlay plan that is financially feasible. The first year of the work program is the districts capital outlay budget. To determine if the work program is balanced and financially feasible, the "Net Available Revenue" minus the "Funded Projects Costs" should sum to zero for "Remaining Funds".

If the "Remaining Funds" balance is zero, then the plan is both balanced and financially feasible.
 If the "Remaining Funds" balance is negative, then the plan is neither balanced nor feasible.
 If the "Remaining Funds" balance is greater than zero, the plan may be feasible, but it is not balanced.

Summary of revenue/expenditures available for new construction and remodeling projects only.

Planning

Class Size Reduction Planning

Hardee County School Board changed zoning for elementary school students in 2006-07 and 2007-08 to assign students to the new Hilltop Elementary school and to relieve overcrowding at other elementary schools.

All elementary schools in Hardee County are designated as public schools of choice with controlled open enrollment.

Hardee County School Board remodeled building #8 for five classrooms at Wauchula Elementary. The building had been used at the adjacent old Jr. High campus. Building #10 is currently vacant at the adjacent old Jr. High campus.
