DISTRICT ELEMENTARY ATTENDANCE POLICY

- Parents are encouraged to set the goal of regular attendance as a top priority. Students must be present in order to learn.
- Any student who has been absent from school must bring a note from a parent or guardian stating the cause of his absence. This note must be brought to the classroom teacher within five days after an absence or it will be recorded as unexcused.
- A doctor's note will be required for all absences over a total of 15.
- Students with a minimum of 5 unexcused absences within a calendar month or 10 unexcused absences within a 90 day calendar period will be contacted by the Truancy Intervention Program to establish a parent conference to discuss the absenteeism. (F.S. 1003.26)
- In the event of an extended absence of 15 days or more due to illness, the student should contact the office to make arrangements for instruction from a teacher in the child's home.
- Students may be counted as half-day absence if checked out before 11:00 a.m. or checked into school after 11:00 a.m.
- Check with your school site for the opening time. Students will be marked tardy after this time
- Excused Absences are days missed for personal illness, death of a member of the immediate family, special appointments or emergencies approved by the school. Absence for head lice will be excused the day the student is sent home and the following day only. Students will be responsible for making arrangements with teachers to make up work missed for excused absences.
- Unexcused Absences are days missed for activities that can be arranged on days other than school days. These include avoidable absences such as shopping or pleasure trips, vacations, and truancy. Absence for head lice will be unexcused after the second day of notification of lice.
- Planned/non-emergency Absences are days planned in advance and missed for personal reasons. The parent or guardian must submit a written request to the principal or assistant principal at least two days in advance of the absence. These will be excused if approved. The student will need to make arrangements with the teacher to complete the assignments that would be missed. These assignments will be given full credit if returned in the allotted time.

HARDEE JUNIOR HIGH SCHOOL ATTENDANCE POLICY

We, the administration, faculty, and staff of Hardee Junior High School, believe that regular attendance is essential for success in school. Valuable material is presented in the classroom, and transmitting the material through make-up work is seldom equivalent to presence in the classroom. The goal of our policy is to encourage and reward high attendance. Through the cooperation of school personnel, parents, and students themselves, we believe this goal will be realized. The Florida legislature requires that students attend school until age 16.

EXCUSED ABSENCES

In compliance with Florida School Laws, the Hardee County School Board recognizes **excused absences** as those resulting from:

1. Personal illness (doctor's note required)
2. Dental appointment (doctor's note required)
3. Court Appearance (bailiff's signature or other appropriate documentation)
4. School related activity (permission slip with signature of sponsor)
5. Funeral/bereavement (funeral notice, mass card or other documentation)
6. Suspension from school (notification by dean or attendance office)
7. Pre-arranged absence (signature of administrator in charge of attendance)
8. Family emergency (proper verification)

THE PROPER DOCUMENTATION MUST BE PROVIDED WITHIN FIVE (5) SCHOOL DAYS OF THE STUDENT'S RETURN.

- It is the student's responsibility to make arrangements with teachers for "make-up" work. Any "make-up" work not completed and returned in a timely manner will have a serious effect on the child's average for that grading period.
- After a total of fifteen (15) or more absences, a letter will be sent from the school notifying the parents that a physician's note will be required in order to receive an excused absence for any further absences due to illness.
- Extended absences for personal reasons require that a student make arrangements by bringing a written request from his parent or guardian to the Attendance Office and having a Special Excuse form approved by the Principal and signed by all the student's teachers. In most cases, the principal will give approval for the student to "make-up" any missing work, but the absence will be unexcused unless otherwise approved by the principal or designee. The student must make pre-arrangements for class work with each teacher at least two days prior to the expected absence. If a student will be absent for an extended period of time, the Guidance Office should be contacted. Arrangements should be made for withdrawal from school. The student will reenroll upon his/her return.
- Students requiring an extended absence due to medical reasons may be able to receive educational services from a medical homebound teacher if a physician requires that the student be out of school for more than three weeks due to medical reasons. A medical homebound form can be requested by going to the Guidance Office.

SCHOOL-SPONSORED ABSENCES: Absences due to school-sponsored activities are excused if the following conditions are met. The student must obtain a signed school-sponsored activity slip and have each teacher's signature for each class he/she will miss. The student must then return the completed slip to the sponsor at least three days prior to the activity. An Emergency Care Card must be on file for students to participate in school sponsored activities.

PRE-ARRANGED ABSENCES must be requested at least 5 days in advance of the expected absence. Students are to arrange to complete all assignments and all course content missed. Pre-arranged absences must be approved by administration and may be approved for such events such as educational trips, necessary family trips, and school sponsored activities. Emergencies will be dealt with on an individual basis by the administration.

UNEXCUSED ABSENCES

An absence for which there is no documentation or which occurs for any reason other than those mentioned above (see EXCUSED ABSENCES) will be considered an unexcused absence. STUDENTS WILL BE ALLOWED NO MORE THAN SIX (6) UNEXCUSED ABSENCES PER CLASS PERIOD DURING THE 18 WEEK SEMESTER.

1. A note from a parent does NOT excuse an absence. However, parent's notes will be kept in the student's file and will be taken into consideration by the attendance committee.
2. Signing out of school does NOT excuse an absence unless the reason for signing out is documented and occurs for one of the reasons listed above (see EXCUSED ABSENCES).

NON-ATTENDANCE INTERVENTION PROCEDURES For cases of non-enrollment, a designated school representative shall give written notice, in person or by mail, to the parent or guardian which requires enrollment or attendance of the student within three (3) days after the date of the notice. If this requirement is not met, the Superintendent shall take steps to bring criminal prosecution against the parent or guardian.

After five (5) unexcused absences in any thirty (30) calendar day period, or after ten (10) unexcused absences in any ninety (90) calendar day period, a verbal notice or notice sent by mail will require the parent or guardian to appear before an Attendance Child Study Team. The purpose of that meeting will be to discuss possible interventions that can be put in place to resolve the student's attendance problem.

If the parent or guardian refuses to participate in the remedial strategies discussed at the Attendance Child Study Team meeting because they believe they are unnecessary or inappropriate, the parent or guardian may appeal to the School Board. A hearing officer will make a recommendation for final action to the School Board. If the Board determines the strategies are appropriate and the parent or guardian still refuses to participate or cooperate, the Superintendent may seek criminal prosecution.

After fifteen (15) unexcused absences in any ninety (90) calendar day period, the Superintendent may choose to file a truancy petition in Circuit Court, or the student and their parent or guardian will be referred to the Truancy Arbitration Board. The Truancy Arbitration Board has the authority under Florida Law to:

1. File legal charges against the parent or guardian.
2. File legal charges against the student.
3. Refer the family for intervention services at the family's expense.

ATTENDANCE OFFICE is responsible for maintaining student records of attendance and issuing absentee slips. It is located in the administration building. No birthday cakes, cup cakes, etc. will be delivered to students attending Hardee Junior High.

SIGNING OUT PROCEDURES. When a student needs to sign out early, a person listed on the student's Emergency Care Card must sign them out from the attendance office. The person taking the student must be listed on the student's Emergency Care Card before permission will be granted for the student to leave with that individual. A photo ID is required to sign a student out of school.

PHONE CALLS Students will be allowed to use the telephone in the Attendance Office to call their parents or guardian if the time of a school activity has been changed without prior notice or a personal/ family emergency arises.

LOST AND FOUND Articles found at HJH will be turned in to the Attendance Office. If you lose something, please check there.

TARDINESS If a student arrives at school or homeroom after the tardy bell has rung, he/she is tardy. **THE STUDENT MUST SIGN IN AT THE ATTENDANCE OFFICE. THE STUDENT WILL RECEIVE AN ADMIT SLIP FOR CLASS AT THAT TIME.**

Students who are tardy to class during the school day will receive consequences as established by the school discipline handbook.

HARDEE SENIOR HIGH SCHOOL ATTENDANCE POLICY

ATTENDANCE POLICIES

Florida Statute 1003.26 places the responsibility on parents and legal guardians for school attendance of children. It is essential that our children receive an education. Failure to attend school in a regular and timely fashion hinders the education process. Truancy and poor school performance have a direct relationship to juvenile delinquency and destructive behavior. A disproportionate percentage of juvenile crime occurs when juveniles should be in school. Parents and guardians must be responsible for sending their children to school.

In compliance with Florida School Laws, the Hardee County School Board recognizes **excused absences** as those resulting from:

1. Personal illness of the student (medical evidence may be required by the principal).
2. Court appearance of the student (summons required).
3. Medical appointment of the student (medical statement may be required).
4. Religious holiday or religious instruction.

5. Death in the immediate family (Funeral or program notice from the service).
6. Approved school activity.
7. Traffic Accident (Official accident report).
8. Insurmountable problems (permission by principal may be required).

Parental notes **MUST** present a full explanation of the absence or the emergency, and a working phone number for parent contact. Notes **WILL NOT** be honored without parent verification.

Written notice stating the reason for the student's absence must be brought to school by the student to the attendance office. **This note should be received by the school within ten days of the absence in order for it to be excused. Absences not documented in writing by the parent/guardian and not included in the excuses listed above shall be UNEXCUSED.** If a student is continually sick and repeatedly absent from school, the student must be under the supervision of a physician in order to receive an excuse from attendance. After 15 absences (excused or unexcused) in any 90-day period, student's will be placed on "Medical Notes Only" status. Once placed on "Medical Notes Only" status, students will be required to submit a doctor's note or meet with administration for all other absences for the remainder of the semester.

A student who becomes 16 years of age is not subject to compulsory school attendance beyond the date they attain that age **if the student files formal declaration of intent to terminate school enrollment.** The declaration must be signed by the student and parent or guardian and must acknowledge that terminating school enrollment is likely to reduce the student's earning potential.

If a student must sign out to leave school during the school day, he/she **must** sign out at the attendance office. Identification for a person checking a student out will be required. This person must be listed on the school records as a person authorized to check him/her out. The clerk will verify the validity of the absence. **When a parent checks a student out of school early, it does not automatically constitute an excused absence – As with any other absence, a parent note must still be submitted as outlined in a previous paragraph. The note will then be reviewed and the absence determined as excused or unexcused.** A parent may submit the written note at the time they check the student out of school. Because presence in class is so important, parents and students are expected to make dental and medical appointments **after** school.

For any absence, it is the **STUDENT'S** responsibility to make up all work missed upon returning to school. **The make-up work must be completed immediately, with one day allowed for each day absent, or a grade of zero will be recorded and will become part of the term average.** Students will only be given 70% of the grade they earn on work they complete for unexcused absences.

Note: Each student arriving on campus must remain on campus until the end of the academic day, exceptions include students participating in SFCC courses, school-sponsored activities, or student checked out through the attendance office. **Any student who leaves the school grounds or class without specific permission (skipping) will be disciplined accordingly.**

PRE-ARRANGED ABSENCES

Students who are aware of an extended upcoming absence need to complete a pre-arranged absence form **PRIOR** to being absent. This pre-arranged absence **form needs to be completed at least two days before being absent.** The form can be picked up in the attendance office and needs to be signed by an administrator prior to the date of absence.

Pre-arranged absences that fall outside the approved guidelines for excused absences will require a mandatory parent conference with an administrator **before** the student leaves. The administrator will determine if the absence is to be excused or unexcused. Whether excused or unexcused, absence(s) will not be considered a school-related absence. Emergencies will be handled on an individual basis. **ALL** pre-arranged absence forms will be verified through the Attendance Office. Students are to arrange to complete all assignments and all course content missed.

Pre-arranged Absence Procedure:

- **Pick-up form from attendance office**
- **Parent completes/sign**
- **Administrator signature obtained**
- **Have all classroom teachers sign**
- **Turn in completed form to attendance**

LONG-TERM ILLNESS

Students who are ill and will be absent for **more than three days**, may request homework to be gathered for them. The student or parent may call the front office and request homework for the student. It will be available for pick-up **24 hours** after the request is received by the front office clerk. After 15 absences due to illness (excused or unexcused) in any 90 calendar-day period, students will be placed on the “**medical notes only**” list. Students placed on this list remain on the list for the rest of the school year and must provide a physician’s statement explaining any future absences.

SCHOOL SPONSORED ACTIVITIES

School-sponsored activities are not recorded as absences. Examples (but not limited to) of **SCHOOL RELATED ACTIVITIES** are:

1. Approved curriculum related trips
2. District, regional or state contest, meeting or sporting event
3. Scheduled assemblies
4. Testing

All school-sponsored activities must be approved by an administrator and presented to the teacher at least 2 days prior to the planned activity. The form should be signed in the following order:

1. Sponsor
2. Administrator
3. Parent
4. Teachers

All work is to be made up prior to the activity unless otherwise arranged with teachers. It is the responsibility of the student to insure that signed school sponsored activity slips are on file in the attendance office. It is mandatory that the sponsor take attendance prior to departure and send the list of actual participants to the attendance office.

Graduating seniors may be excused from classes during the final days of their last semester to participate in graduation exercises, rehearsals, etc. Seniors excused by the principal for these reasons **WILL NOT BE COUNTED ABSENT**. They will have demonstrated course mastery by the fact that they have completed all graduation requirements.

TARDY

Tardy is defined as reporting for class after the tardy bell has finished ringing without a proper pass for being late.

Teachers will mark students tardy who enter class up to **five (5)** minutes after the tardy bell rings. After that, students will be marked **absent** and referred to the Dean’s office for discipline action. (**Exception: students arriving to school during first period after the tardy bell has rung, must sign in with the Attendance Office to be properly passed on to class.**) **Students missing more than 15 minutes of first period class time will be considered absent from that class.**

Within a semester, upon a student’s third (**3rd**) **tardy to class, and each tardy thereafter**, a lunch detention will be assigned to the student by the classroom teacher.

MAKE-UP WORK

Important Note: It is a student’s responsibility to request make-up work from their teachers and to complete and turn in missed work.

Excused Absence:

For any excused absence, it is the **STUDENT'S** responsibility to make up all work missed upon returning to school. **The make-up work must be completed immediately, with one day allowed for each day absent, or a grade of zero will be recorded and will become part of the term average.** Upon consideration of the length of time missed and the nature of the make-up work, a teacher may use their discretion to extend the time period that a student has to complete make-up work.

Work assigned prior to the absence is due the day the student returns to school. Tests will be taken at the discretion of the teacher with consideration of the nature of the absence.

Unexcused Absence:

For any unexcused absence, it is the **STUDENT'S** responsibility to make up all work missed upon returning to school. **The make-up work must be completed immediately, with one day allowed for each day absent, or a grade of zero will be recorded and will become part of the term average.** Upon consideration of the length of time missed and the nature of the make-up work, a teacher may use their discretion to extend the time period that a student has to complete make-up work. **Students will only be given 70% of the grade they earn on work they complete for unexcused absences.**

Work assigned prior to an absence is due the day the student returns to school. Tests will be taken at the discretion of the teacher with consideration of the nature and length of the absence.

Students, age 16 or older, will be withdrawn after ten (10) consecutive days for non-attendance. If a student is absent 10 consecutive days due to extenuating circumstances, it is the parent's responsibility to contact the school to inform them of the extenuating circumstances and request their child not be withdrawn from school.

DISCIPLINE POLICIES

The goal of Hardee Senior High School is to educate each child to the best of his or her ability. To reach this goal, it is necessary that the school function as a non-hostile, disruption free environment. Every attempt will be made by the administration and staff to take such steps as necessary to prevent the occurrence of misbehavior in every possible way.

Every group needs discipline if its members are going to work together. In our school, we too must have some form of discipline if we are to exist together as classmates and teammates, and if learning is to take place. The rules, policies and consequences contained herein apply to any HSHS student who is on school property, who is in attendance at school or at any school-sponsored activity, or whose conduct **at any time or place** directly interferes with the operations, discipline or general welfare of the school, students, or staff.

BULLYING REPORTING PROCEDURE

Bullying or harassment of any student or employee at Hardee Senior High School will not be tolerated. Employees, students, parents, and visitors are encouraged to report suspected incidents of bullying or harassment to the administration either verbally or in writing. Anonymous reports may be called in to the Dean's office.

CYBERBULLYING POLICY

Note: The cyberbullying policy may be viewed on the Hardee Senior High School website.

SATURDAY SCHOOL

A Saturday School option will be available for students who wish to avoid credit denial due to excessive unexcused absences. Saturday School classes will run on various Saturdays throughout the school year from 8:00 a.m. to 11:00 a.m. and will be supervised by a school employee. Students who have more than 6 unexcused absences in a course will be denied credit unless they participate in a Saturday School Class as outlined below:

Upon a 7th unexcused absence – Participation in 1 Saturday School required

Upon a 10th unexcused absence – Participation in a 2nd Saturday School required

Upon a 13th unexcused absence – Participation in a 3rd Saturday School required

More than 15 unexcused absences from a class will result in denial of credit for the class.

ANY dual enrollment (DE) student who is referred to Saturday School due to excessive unexcused absences may not be able to participate in the DE program the following semester.

While attending a Saturday School Class, students will be required to work on course material and assignments provided to them by their teacher(s). While attending Saturday School, students must be in dress code and abide by all school rules and policies. **It is the student's responsibility to gather make-up work from his/her teachers so that they can have meaningful work to complete while participating in a Saturday School Class.** Students who do not bring prepared materials to the Saturday School Class will be assigned academic work by the supervising teacher. However, the regular classroom teachers will not be required to grade or include that miscellaneous work in determining the student's grade. As a reminder, the policy for make-up work states that a student will only be given 70% of the grade they earn on work they complete for unexcused absences.

Students who attend a Saturday School Class are required to stay for the entire three hour time period, and are required to work productively on academic work throughout the morning. Disruptions by a student during the Saturday School Class or failure of the student to work productively on course work will result in their dismissal/removal from the Saturday class.

In order for a student to be given credit for their time served in a Saturday School Class, they **MUST** be present and productive in the classroom for the entire 3-hour class period. Students who arrive late will not be permitted to enter, and will need to attend the class on a different Saturday. Students will be given reasonable breaks during the 3-hour class period. All school rules and behavior expectations apply to students who participate in a Saturday School Class.

ID BADGES

School issued ID badges must be worn by the students at all times on the front of the body above the waist. Teachers will issue a temporary ID badge during 1st period.

1ST Offense – Temporary ID issued

2nd Offense – Temporary ID issued

3rd Offense – Temporary ID issued

4th Offense – Temporary ID issued and a lunch detention assigned by teacher- process then starts over.

Failure to properly display ID badge or Temporary ID after 1st period will result in a detention assignment or discipline referral depending on number of previous infractions to the I.D. badge rule.

The condition of a student's ID badge must be maintained in order for the ID badge to be considered legitimate. The condition of ID badges should be maintained in such a way that the school name, student name, swipe stripes, student picture, and ID number are easily readable and are not defaced. If the condition of the ID badge does not meet these requirements, it is the student's responsibility to purchase a replacement badge in order to become compliant, and failure to do so will result in a disciplinary referral.

A replacement badge will cost the student \$5.00 and can be purchased in the library before school and during lunch.

New badges will be made available to all students who need replacements at the start of the second semester, at no cost.

CHECKING OUT OF SCHOOL

A student who becomes ill during the school day should get a pass from his/her teacher and report to the nurse. Should the nurse decide to send a student home, a parent should be contacted. A student who leaves without authority from the nurse or an administrator will receive disciplinary consequences. It is imperative that students have updated emergency cards on file in order to expedite the school's ability to reach a parent/guardian.

Students will be granted to leave school **ONLY** for the following reasons: Medical appointment, court appearance, funeral, or family emergency. Students who drive and intend to sign out during the school day must bring to Attendance a written parent note with a working telephone number so the parent can be contacted to verify the note.

In order to confirm the authenticity of the note, the contact number on the note must match the student's emergency card information. Parent telephone calls to Attendance are not acceptable unless caller can be positively identified. When parents wish to pick up their child during the school day, they must come into the Attendance Office and properly sign out their child. A photo ID must be presented by every person who wishes to check a student out of school. The attendance office must verify that the person checking the student out is on the student's emergency card before they can release a student from school. Students will not be called out of class until the parent arrives. **When a parent checks a student out of school early, it does not automatically constitute an excused absence – As with any other absence, a parent note must still be submitted. The note will then be reviewed and the absence determined as excused or unexcused.** A parent may submit the written note at the time they check the student out of school.

Hardee High School has a closed campus policy during all lunches. Students will not be permitted to leave school during their lunch period unless they have one of the previously stated approved reasons for leaving. If the student is returning to school that same day, he/she will bring documentation of one of the previously stated approved reasons for leaving. Students without proper documentation can be referred to the Dean's Office for disciplinary action.

SATURDAY WORK DETAIL

Saturday Work Detail is one level of action that the Dean's office may take in providing consequences to students for behavior/rule infractions. Saturday Work Detail will run on various Saturdays throughout the school year from 8:30 a.m. to 10:30 a.m. and will be supervised by a designated school employee. Students will not be permitted to participate in the Saturday Work Detail if they arrive late or out of dress code. Failure to meet these conditions will result in students being marked ABSENT, which will result in further discipline consequences. Students assigned to Saturday Work Detail must provide their own transportation to and from school and are required to follow all school rules/policies. Participating students who drive themselves should park in the student parking lot. Students who do not drive must be dropped off and picked up on time at the north end of the campus. Upon arrival, students should report to the north end of the campus and gather in the breezeway between the auditorium and gymnasium. Activities involved in a student's Saturday Work Detail include school beautification and clean up, and thus should wear appropriate attire for this type of work. In addition, it is recommended that students use sunscreen and a hat as most activities will take place outdoors. A student's failure to participate in an assigned Saturday Work Detail will result in a more serious level of consequences that may include in-school suspension (ACE) or out of school suspension.

All school rules and behavior expectations, including dress code apply to students who participate in a Saturday Work Detail.

GUIDELINES FOR SUSPENSION

The principal or his designee may suspend students for up to ten (10) school days provided that each suspension and the reasons for it are reported immediately by telephone and in writing, and delivered personally or by mail to the parents and to the Superintendent. **The length and conditions of the suspension may vary depending on the seriousness of the misconduct and the student's record.**

Students in grades 9-12 who are placed on out-of-school suspension will be allowed to make up missed work **after returning from the suspension.** He/she will be given only 70% of the grade they earn on the make-up work. **While suspended, a student may not participate in or attend any school-sponsored activity.**

Schools may develop systems of in-school suspension and will be assigned by the principal or his/her designee. In-school suspension will consist of supervised isolation for the length of the school day. Students will be allowed to complete work through assignments provided by the student's teacher(s).

Alternative Classroom Environment (ACE): Ace is Hardee Senior High School's in-school suspension program. The student does not have a choice in OSS or ACE. If assigned ACE, **THE STUDENT MUST SERVE.** If dismissed from ACE, on return to school, uncompleted ACE time will be served. **Students assigned to ACE may not participate in a school-sponsored or extra-curricular activity the day or days they are assigned to alternative classroom instruction.**

GUIDELINES FOR EXPULSION

Florida Statutes and School Board Policy define expulsion as the removal of the right and obligation of a student to attend school for a period of time not to exceed the remainder of that term or school year and one additional year of attendance [**Florida Statute 228.041 (26) and School Board Policy 5.34**].

Expulsion or dismissal procedures are as follows. A written statement of charges shall be delivered personally or by certified mail to the parent(s) within five business days. Notification shall be complete at the time of personal service.

The student and school officials shall present evidence and call witnesses to clarify the facts. The student may also use the services of legal counsel at no expense to the School Board. The School Board will review the findings and will then adopt an order. The order will be delivered in writing to the parent or guardian. **The student's identity will remain confidential within the provisions of statute unless the student's parent or guardian requests a public hearing.**

Expulsion hearings are conducted under **Section 120.57, Florida Statutes**. Except for good cause, factual matters alleged in the recommendation for expulsion but not denied in the request for hearing shall be presumed admitted. All proceeding for review shall be instituted by filing a petitioning with the Second District Court of Appeal, and the review proceedings shall be conducted in accordance with the Florida Rules of Appellate Procedure.

Hardee District Schools Policy Against Bullying, Including Cyberbullying, and Harassment

The Hardee County School District expects students and employees to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.

The school district believes that standards for student behavior must be set cooperatively through interaction among the students, parents/legal guardians, staff, and community members producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for district and community property on the part of students, staff, and community members. Since students learn by example, school administrators, faculty, staff, and volunteers will demonstrate appropriate behavior; treat others with civility and respect, and refuse to tolerate bullying or harassment.

A. The School District prohibits the bullying of any student or school employee:

1. During any school-related or sponsored educational activity conducted by HDS or on a HDS school bus;
2. Through the use data or software that is accessed through a computer, computer system, or computer network that is physically located on school property or at a school-related or school-sponsored program or activity.
3. Through the use of data or computer software that is accessed at a non-school-related location, activity, function, or program or through the use of technology or an electronic device that is not owned, leased, or used by a school district or school, if the bullying substantially interferes with or limits the victim's ability to participate in or

benefit from the services, activities, or opportunities offered by a school or substantially disrupts the education process or orderly operation of a school. This paragraph does not require a school to staff or monitor any non-school-related activity, function, or program.

While the District does not assume any liability for incidences that occur at a bus stop or en route to and from school, a student or witness may file a complaint following the same procedures for bullying against a student and the school will investigate and/or provide assistance and intervention as the principal/designee deems appropriate, which may include the use of the School Resource Officer. The principal/designee shall use all District Reporting Systems to log all reports and interventions.

- B. All administrators, faculty, and staff, in collaboration with parents, students, and community members, will incorporate systemic methods for student and staff recognition through positive reinforcement for good conduct, self-discipline, good citizenship, and academic success, as seen in the individual school student discipline plan.
- C. Student rights are explained in this policy as a citation and excerpt from the Hardee County School's Code of Student Conduct, Students, Rights and Responsibilities.
- D. Proper prevention and intervention steps shall be taken based on the level of severity of infraction as outlined in the HDS Student Code of Conduct.
- E. At the beginning of each school year, the school principal/designee and or appropriate area/district administrator shall provide awareness of this policy, as well as the process for reporting incidents, investigation and appeal, to students, school staff, parents, or other persons responsible for the welfare of a pupil through appropriate references in the Student Code of Conduct, Employee Handbooks, the school website, and/or through other reasonable means.

Reporting an act of bullying

- A. At each school, the principal/designee is responsible for receiving oral or written complaints alleging violations of this policy, as with all infractions from the Student Code of Conduct.
- B. All District faculty and staff are required and must report, in writing, any allegations of bullying or violations of this Policy to the principal/designee or appropriate district administrator. Failure to report will result in action(s) or discipline, consistent with the collective bargaining agreement provisions.
- C. Any other members of the school community who have credible information that an act of bullying has taken place may file a report of bullying, whether a victim or witness.
- D. Any student (and/or the parent on that complainant's behalf if the complainant is a minor) who believes he/she is a victim of bullying (or any individual, including any student who has knowledge of any incident(s) involving bullying of students) is strongly encouraged to report the incident(s) in writing to a school official. Complaints should be filed as soon as possible after the alleged incident and noted on the specified data system, but must be filed within ninety (90) school days after the alleged incident (i.e., within 90 school days of the last act of alleged bullying). Failure on the part of the complainant to initiate and/or follow up on the complaint within this period may result in the complaint being deemed abandoned.
- E. The principal of each school in the District shall establish, and prominently publicize to students, staff, volunteers, and parents, how a report of bullying may be filed and how this report will be acted upon.
- F. A school district employee, school volunteer, contractor, student, parent/ or other persons who promptly reports in good faith an act of bullying to the appropriate school official, and who makes this report in compliance with the procedures set forth in this District Policy, is immune from a cause of action for damages arising out of the reporting itself or any failure to remedy the reported incident. Submission of a good faith complaint or report of bullying will not affect the complainant or reporter's future employment, grades, learning or working environment, or work assignments within the HDS.
- G. Administrators/principal/designee(s) shall document in writing and/or via the specified data system all complaints

regarding bullying, as with all infractions of the Code of Student Conduct, to ensure that problems are appropriately addressed in a timely manner, whether the report is made verbally or in writing.

- H. Anonymous reports may be made to the school site or any School District office. Anonymous reports may also be made on the district website: hardee.k12.fl.us. Any written or oral reporting of an act of bullying or harassment shall be considered an official means of reporting such act(s). Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report. Administrators shall use the specified data system to log all reports and interventions.

RULE 2.55 COMPREHENSIVE TOBACCO-FREE POLICIES

Rational: The Hardee County School Board recognizes that the use of tobacco products is a health, safety, and environmental hazard for students, employees, parents, visitors, and school facilities. The School Board believes that the use of tobacco products on school grounds, in school buildings and facilities, on school property, in district-owned vehicles or at school-related or school-sponsored events is detrimental to the health and safety of students, employees, and visitors. Smoking and other tobacco products are detrimental to health and a significant contributor to medical issues and death for both users and non-users. The School Board acknowledges that adult staff and visitors serve as role models for students and therefore seeks to promote a district that is tobacco-free. Thus, the purpose of this policy is to establish a school district-wide tobacco-free environment, provide notification to the public and to school district employees and students, provide education and resources to tobacco users, and to provide an explanation of the disciplinary action that will be taken with those that abuse this policy.

Application of Policy: This policy applies to students, employees, volunteers, parents, spectators, and visitors.

Definitions: For the purpose of this policy, the following definitions shall apply:

A. *At any time* is defined as during normal school and non-school hours: 24 hours a day, seven days a week, 365 days a year.

Communication via announcements, memos, presentations, meetings and letters will also be utilized.

Tobacco Promotion and Sponsorship Prohibited: Tobacco advertising is prohibited on school grounds, in all school-sponsored publications, and at all school-sponsored events.

Educational and Cessation Program: The school district will consult with Student Services, the Hardee County Health Department, the American Lung Association, and other appropriate health organizations to identify and provide programs or opportunities for students to gain a greater understanding of the health hazards of tobacco use and the impact of tobacco use as it relates to providing a safe, orderly, clean and inviting school environment, and to provide students and employees with information and access to support systems, tobacco use cessation programs, and services to encourage them to abstain from the use of tobacco products.

Responsibility of School Administrators:

- A. Communicate this policy verbally to students, employees, family members, volunteers, and visitors at school events through signage and school handbooks.
- B. Treat violators who are students or employees with disciplinary actions consistent with school district policies.

- A. *Students:* Consequences for students engaging in the prohibited behavior will be provided in accordance with the school's Code of Student Conduct.
- B. *Employees:* Consequences for employees who violate the tobacco use policy will be in accordance with the school district's Standards of Conduct.

Effective Date of Policy: This policy shall take effect in full on January 1, 2014

Student Safety To and From School

School staff, parents, and students are all responsible for creating a culture of positive behavior. Parents and students must follow the school district's Student Code of Conduct.

Parent Drivers and Teen Drivers:

- If you need to drive, follow these safety tips:
- When picking up children in the afternoon don't arrive too early and hinder the movement of traffic in the neighborhood around the school.
- Wait in a single line and leave enough room so an emergency response vehicle would be able to get through.
- Don't block driveways, mailboxes, disabled parking spaces, or fire hydrants, and don't park on lawns.
- Don't block access to or the view from side streets.
- Don't back out onto any street from the school parking lot or from a side street.

- Try to arrange your drop off/pickup time after the peak rush hour and use designated loading and unloading areas.
- Always heed signs and the directions of school and law enforcement officials.
- Always obey posted speed limits and other traffic laws.
- Act as you would want people to act if it were your neighborhood.
- Be patient and understand that walkers, bicyclists, and school buses are trying to exit the school, too.
- Always ensure that you and your passengers buckle up.

▪ **Riders in Cars, SUVs, and Trucks:**

- Drivers and passengers in cars, SUVs, and trucks must always use appropriate safety restraints. Anyone transporting children needs a child safety seat, booster seat, or safety belt, depending on children's sizes and ages.
- Preschool age children should always be restrained properly in a secured child safety restraint system, such as a rear-facing infant seat, rear-facing convertible seat, forward-facing convertible seat, or forward-facing-only seat appropriate to their age and weight range.
- All children who have outgrown child safety seats should be properly restrained in booster seats until they are at least 8 years old, unless they are at least 4' 9" tall.
- The backseat is the safest place in a crash. Children age 12 and under should ride properly restrained in back. Infants riding in rear-facing seats must NEVER be placed in front of an air bag.

▪ **School Bus Riders:**

- Students who ride the bus must obey the rules posted in the bus. Failure to obey the bus rules or the driver could result in an accident. The principal or his designee may suspend any student transported to or from school at public expense from the privilege of riding the bus, giving notice in writing to the student, parent/guardian, and to the superintendent within twenty-four (24) hours. If a pupil has been suspended from riding a school bus, it is still the parent's/guardian's responsibility to see that the student attends school regularly, unless he is suspended from both the bus and school in the same action. The principal's authority to suspend a student from bus transportation is Florida Statute 1006.09.
- Children may ride only their assigned bus. If a parent/guardian wishes for their child to vary from policy, he/she must contact the district transportation department for permission to ride a different bus. This must be done well in advance of the child boarding the bus. Children will not be permitted to board a bus other than their own unless they have a form approved by the district transportation department.
- For questions concerning your child's bus, please contact the transportation office at 773-4754.
- School officials, bus operators, parents, and students themselves are all responsible for ensuring that school bus riders follow these safety tips:

At the bus stop:

- Students and parents are responsible for safety and proper student behavior going to and from the stop and while waiting for the bus.
- Students must stand off the roadway while waiting.
- Students must respect other people's property.
- Students must not push, shove, or engage in horseplay.
- Parents should supervise children at the stop if possible.
- Students must arrive at the bus stop at least five minutes prior to the scheduled pickup time.
- Students must wait for and get off the bus only at approved stop locations.

During loading and unloading:

- Always stay away from the 12 foot "danger zone" around the bus, except when you are directed by the driver to get on or off the bus.
- NEVER pick up an object that you drop under or near the bus. Ask the driver for help.
- Always be sure the driver can see you.
- Make sure clothing and backpacks have no loose drawstrings or long straps that could catch in the handrail or bus door.
- When you see the bus coming, stand at the stop and wait for the bus to come to a complete stop.
- Always wait for the driver to signal that it is safe to cross the road and/or load into the bus.
- When crossing a traffic lane, always look left, right, then left again; cross only if approaching traffic has stopped.
- Never walk behind the bus.
- Only board your assigned bus, unless other arrangements are approved by your school.

During the bus ride:

- Always follow the driver's directions.
- Never distract the driver from driving unless there is immediate danger to you or others.
- Remain seated and keep the aisles clear.
- Eating, drinking, and chewing gum are prohibited.
- Never bring unsafe or unauthorized items into the bus.
- Always wear your seat belt when one is available.
- Always keep your arms, legs, and head inside the bus.
- Always show respect for your fellow students.
- Keep conversation at a reasonable level and remain quiet at railroad crossings. The Student Code of Conduct applies in the bus as well as in the classroom

Tips for Walking and Biking Safely:

- Walking and biking to and from school can be a great way to get exercise, interact with your children, and teach them lifelong traffic safety skills. Know your child's abilities and remember your child's limitations. Children under 10 years of age are developmentally limited when it comes to judging speed and distance accurately.

▪ Walking

- **Teach, practice, and remind children to:**
- Walk with an adult or responsible older child at all times.
- Children under 10 years old should cross the street only with an adult.
- Walk on the sidewalk if there is one.
- Walk facing the traffic, as far from the road/traffic as possible, if no sidewalk is available.
- Use traffic signals and marked crosswalks if available.
- Stop at the curb or edge of the road and look left, right and left for traffic before crossing the street.
- Walk; don't run.
- Give drivers time to see you before crossing the street.
- Keep looking for cars while you are crossing.
- Wear white clothing or reflectors when walking in the dark or in low light.

Students are not to arrive at school more than 30 minutes prior to the first bell of the school day. Supervision is not provided until this time. In addition, supervision is provided 30 minutes after students are dismissed from school each day.

- All walkers crossing highways or streets are to cross at points where school guards are posted.
- Obey police and crossing guards at all times!
- Bicycle riders are to wear a helmet according to state statute. A bicycle rack will be located on campus for students to park bicycles. Students are to provide locks for securing their individual bicycles.
- No skateboards will be allowed on school grounds.

▪ Biking:

- Bicycles are vehicles and riders must follow Florida Traffic Laws.
- Teach, practice, and remind children to:
 - Always wear a helmet that is properly fitted.
 - Whenever possible, ride with an adult or responsible older student.
 - Always obey all traffic signs and signals.
 - Ride on the right side of the road or trail in a single file (one bicycle behind another).
 - Ride in the same direction as other vehicles.
 - Go straight across railroad tracks.
 - Always use proper hand signals when turning and stopping.
 - Yield to pedestrians and alert them with a bicycle bell or your voice when passing.

▪ Protecting Children from Sexual Offenders and Predators:

- Florida has the strongest laws in the country to protect its youthful citizens from being abducted. However, parents and children themselves are the first line of defense. Talk to your children about following these rules:
 - Stay away from any unfamiliar person who is trying to trick you or force you to go with him or her.
 - Let your parents and other trusted adults know about any suspicious persons or situations.
 - Learn to describe people and vehicles.

- Know where to run and how to forcibly resist capture.
- Scream to be seen and to scare a stranger away.
- Stay with a buddy, a group, or parents at the bus stop.
- Report anyone hanging around or passing by regularly.
- Accept a ride only from someone approved by the school.
- Walk or bike only along a route that your parents or the school has determined is safe.
- Lock the door and never tell callers you are home alone.

RAINY DAY SCHEDULE

- Parents should tell their children what to do when school dismisses in bad weather.
- If your child is a walker, please establish a plan for your child. All other dismissals may experience a minor delay, but will proceed as normal.

ILLNESS OR INJURY

- If a student becomes ill or injured at school, he/she should notify his teacher or the duty teacher, who will make arrangements for the necessary care.
- The school has responsibility for first aid only. In case of illness, the child will be cared for until the parent arrives or he/she is returned to class. In case of major injuries, first aid will be administered and the parent will be immediately notified.
- **BE SURE THAT A PHONE NUMBER FOR CONTACTING THE PARENT IS AVAILABLE TO THE SCHOOL. IF THE INFORMATION ON THE EMERGENCY CARD CHANGES AT ANY POINT DURING THE YEAR, PLEASE INFORM THE SCHOOL OFFICE STAFF.**

MEDICATION

Florida Law permits the school to administer medication only under the following conditions:

- You, or someone chosen by you, may come to school and give the medication to your child.
- You may get a copy of the Authorization for Medication form from your child's school and take it to your child's physician, medical provider, the Health Department or a walk-in clinic. This form must be filled out and signed by the doctor/mid-level practitioner and by you. Once completed, return this form to your child's school. Medication may be given at school only when an Authorization for Medication is on file!
- You may choose to discuss with your doctor/mid-level practitioner a schedule for giving medication outside of school hours.

COMMUNICABLE DISEASES

Any child suspected of having a communicable disease shall immediately be excluded from school and may not return to school until the disease has completely subsided and/or the child presents a written statement by a physician or the health department that he is free of communicable diseases and may return to school. If the child is to be out of school for an extended length of time, notify the guidance counselor so the child can receive services by our teacher of the homebound.

HEAD LICE

If a child is found to have head lice, he/she will be sent home or removed from the classroom. The child will not be permitted to return until his/her hair is free of lice and nits. If a student has nits only, he/she will be permitted to complete the school day. Before being readmitted to the classroom however, the student must be free of nits. Nits are the white eggs lice lay which adhere to strands of hair.

HEALTH SCREENINGS

Florida Law 81-18 requires that parents or guardians be informed at the beginning of each school year that children in schools will receive non-invasive screenings during the year. Such screenings and examinations will be for vision, hearing, height, weight, head lice, etc. These screenings are visual checks for any health problems the child may have. Should we find any problems; parents will be notified at once. Invasive screenings, such as immunizations, tuberculin tests, etc. will always require prior written permission from parents or guardians before they are accomplished.

SCHOOL FOOD SERVICE

Free and Reduced Price Meals

- Parents or guardians may apply for free or reduced meals for their child(ren) at any time during the year. Only one application form needs to be submitted per family.

Breakfast and Lunch

- Breakfast and lunch are served daily in the school cafeterias.
- Meals may be paid for in advance or on the day served. We strongly encourage parents or guardians to pay for meals as far in advance as possible. Any credit remaining at the end of the year will be refunded upon request from the parent, or held in the child's meal account for the next school year. . Students who have paid in advance will not be charged for lunches on days they are absent.
- Children are responsible for bringing breakfast and lunch money. Money for meals should be placed in an envelope with the student's name, teacher's name and grade, and then deposited in the "Bank-A-Meal" boxes located in the cafeteria.
- Parents may also deposit money into a child's school meal account at any time by using an online deposit service. This service also provides parents the ability to view your child's account balance through a web site called **Myschoolbucks.com**
- At the elementary level, after the fifth (5th) delinquent lunch charge, students will be allowed an alternate meal until their account is paid. At the secondary level, when an account has a negative balance, students will be allowed an alternate meal.

PARENT ORIENTATION

There will be an Open House within the first few weeks of school. After a general meeting, parents will be invited to their child's classroom. At this time the teacher will discuss classroom policies and procedures.

PARENT TEACHER ORGANIZATION

All parents and other interested persons are encouraged to join the school P.T.O. Membership materials will be sent home early in the school year. The P.T.O. participates in and sponsors programs and activities to benefit students and faculty. Meetings are held at various times during the year.

SCHOOL VOLUNTEERS

Volunteers are an invaluable resource to our school! Families will be given opportunities to contribute to the education of their children in many ways. Special events and parties are some of the opportunities you will find to be involved in your child's classroom. There are also many school-wide needs where volunteers will be greatly appreciated. You are very important to us and are always welcome. Together we can make this a successful school year. Check with the assistant principal at your school regarding the volunteer district policy.

SCHOOL ADVISORY COUNCILS

School Advisory Councils (SAC) assist the district and school with the development of the District Improvement and Assistance and Intervention Plan and School Improvement Plan. See your school site administrator if you are interested in participating.

VISITORS

Parents are encouraged to visit the school. We are, however, very concerned for the safety of our students; therefore, we ask all visitors to sign in at the office and receive a visitor's badge before visiting any classroom. Classroom visitations should be pre-arranged with the teacher.

DRESS CODE

We feel that students should take pride in their grooming and general appearance by selecting appropriate dress for school in order that they may develop the proper habits in becoming young ladies and gentlemen. Please consult your individual school's Dress Code Policy for further details.

4. Extremes in dress or grooming that cause undue attention or cause disruptive influences are not allowed. Body/facial piercings (other than ears) are examples of extreme dress and grooming and are not allowed. Covering facial piercing with a Band-Aid or any other material is **NOT** allowed.

5. Students must wear their ID card on the front of the body above the waist at ALL times during school hours except in certain classes where safety would be an issue.
6. Undergarments are not to be visible.

THE FOLLOWING ARE NOT ALLOWED AT SCHOOL:

- “Tall” tees
- Bandanas of any color or style, shower caps
- Tank tops
- Hair rollers
- Hooded garments
- Strapless tops or dresses
- Chain wallets, dog collars, spiked wrist bands or neck bands

- Pajamas or sleepwear
- Excessively tight or revealing clothing
- Bedroom slippers, heelys or skate shoes

We ask the cooperation of parents with our “Dress for Success” attire plan. It is our desire to create an environment that will serve the best interests of all students at the school.

Beginning with the first day of the school year, every student will be expected to comply with the HHS “Dress for Success” attire plan. No exceptions to the plan will be made for any student except for religious reasons. The parent must file a formal written request for exemption with the principal and provide documentation to support the request for exemption for religious reasons.

If necessary, disciplinary action will be taken to encourage compliance with the “Dress for Success” attire plan. Hardee Senior High will strive to achieve full compliance. We will resort to disciplinary action only when positive measures fail to ensure compliance. Prior to initiating any disciplinary action against a student, parents will be contacted to solicit their cooperation and support of the “Dress for Success” attire plan. Disciplinary action will be initiated only after all means to secure support and cooperation have not succeeded. A progressive discipline approach, as indicated by the district and school comprehensive discipline plans, will be employed to encourage consistent compliance with the “Dress for Success” attire plan.

NOTE: The administration reserves the right to determine what inappropriate dress is. Students who are inappropriately dressed for school must change into appropriate clothing. Parent/guardian may be called and asked to bring to school appropriate clothing or take the student home to change. Time missed from class to get appropriate clothing will be unexcused.

LOST AND FOUND

Any article found by a student should be turned in to the office. These articles may be reclaimed by the owner at any time. Any article not reclaimed in a reasonable length of time is disposed of. All sweaters, coats, gloves, caps, etc. should be labeled with the child’s name. Remind your child(ren) not to bring valuables from home, because they may be lost.

DOGS/PETS

Please do not allow your dog to follow you to school. Dogs found on the school grounds may be removed by animal control at the owner’s expense. Efforts will be made to contact the dog’s owner before officials are called (unless the

dog has become a chronic problem or endangers the children). Check with school administration regarding the district policy of having animals on campus.

STUDENT CODE OF CONDUCT GUIDE

- Each student will show respect and courtesy to all faculty, staff, and other students. Any insubordination or disrespect displayed by a student will not be tolerated.
- All students will respect school buildings and their contents. Defacing or destroying school property will not be allowed.
- All students are expected to observe the safety rules while on the playground or school property. Fighting or physical contact will not be tolerated.
- No weapons of any kind are allowed on school grounds. This includes toy knives, guns, swords, etc.
- Use of any offensive language or gestures will not be allowed.
- Students are expected to dress in a manner appropriate for school. Articles of clothing, which distract the learning process, are not allowed. See your school site's dress code policy for further details.
- All students are expected to observe and practice high standards. Cheating or stealing will not be tolerated.
- Note: Copies of the Code of Student Conduct are available in the school offices. This document includes guidelines for suspension, expulsion, and discipline for disabled students.

LAW OFFICIALS

Please check with your school site administration regarding the protocol of interviewing students by law enforcement officials (police, sheriff, federal agent, and Department of Children and Families).

STUDENT SEARCH

Locker and Personal Search (including vehicles parked in the school's parking lots): Lockers are the property of the School Board of Hardee County and are subject to search or inspection at any time by school personnel (Florida Statute 1006.09). The school personnel may also remove any of the contents which may be stolen, unauthorized, or illegal. Students and their vehicle may be searched if (1) school officials have reason to believe that the health and safety of that student or any other student is in jeopardy, (2) the pupil is told of the reasons for the search, or (3) the student gives his consent to be searched. If the student refuses to be searched, he will be removed to an area away from the other students and law enforcement officials will be called to conduct the search.

PROCEDURE FOR ADDRESSING STUDENT COMPLAINTS

- Step 1: If a student, currently enrolled in Hardee County Schools, has a complaint, based on an alleged discrimination on the basis of race, sex, national origin, disability, marital status, religion, and age, the student has the right to voice this complaint to the school principal.
- Step 2: The student may appeal to the superintendent or his/her designee, if not satisfied with the decision in Step 1. The superintendent, or his/her designee, will hear the complaint, investigate the facts, and render a decision as to the proper disposition of the complaint. This decision will be final unless the student wishes to proceed to Step 3.
- Step 3: The student may appeal to the School Board by requesting in writing that the superintendent place the appeal on the agenda for the next Board meeting. The Board, after hearing the facts, shall take whatever action is deemed appropriate. The decision of the Board is final.

IDENTIFICATION OF EXCEPTIONAL STUDENTS

The Hardee County School District actively seeks to locate exceptional students and maintains information on those students screened and identified as exceptional. The term "exceptional student" includes students with intellectual disabilities, speech impairments, language impairments, deaf and hard of hearing, visual impairments, emotional/behavioral disabilities, autism spectrum disorders, physical impairments, learning disabilities and other health impairments.

- Information gathered may include the student's social, emotional, physical, psychological, academic, and communication behaviors and abilities.
- Information is collected through screening programs, check lists, teacher observations, standardized tests and from such individuals as parents, guardians, teachers, psychologists, audiologists, social workers, physicians, other professional personnel and the child himself/herself.
- Information is used to assist in the development of appropriate educational programs for exceptional students and for reports to the state and federal agencies.
- Students are screened periodically for vision, hearing, speech and academic achievement as the initial step in the process of identifying those students with suspected exceptionalities. If your child is experiencing problems academically, interventions will be initiated with results of those interventions documented and conferences with parents scheduled to discuss progress of the child and plan accordingly.
- Exceptional Student Education Reports will be destroyed five (5) years after the student graduates (or its equivalent in time). Parents or guardians may contact the school and receive an official copy of these records prior to destruction.

TEACHER QUALIFICATIONS

Teachers are certified according to State Board Rules. Teachers are highly qualified according to federal guidelines. Paraprofessionals are highly qualified when they complete two years of college courses from an accredited college or receive a passing score on the ParaPro test. Qualification information is available at each school site and the Personnel Office at 773-9058.

PARENTS RIGHT TO KNOW

The School Board of Hardee County is committed to providing information to you regarding your child's teacher and paraprofessional qualifications in a timely manner upon request.

You have the right to request the following information:

- Whether the teacher has met state licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

- Whether the teacher is teaching under emergency or other provisional status through which state qualifications of licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether your child is provided services by paraprofessionals, and, if so, their qualifications.

You will be notified in writing if your child has been assigned or has been taught for more than four consecutive weeks by a teacher who has not met the NCLB highly qualified criteria. 2013 FCAT results for students in grades 3-11 were mailed home over the summer or you were alerted that you could pick them up at the school site. Please be assured that the School Board of Hardee County is dedicated to providing the students of our County with a quality education. The information regarding the qualifications of your child's teacher and/or the classroom paraprofessional may be obtained from the school principal.

SCHOOL INFORMATION

ELEMENTARY:

Retention

Retention will be made following a parent conference/contact with initial parental notification occurring no later than the end of the third nine-weeks. If parent contact is impossible, the recommended placement must be approved by the superintendent or his designee.

GRADE 3 READING

It is the ultimate goal of the Legislature that every student read at or above grade level. Any student who exhibits a substantial deficiency in reading, based upon locally determined or statewide assessments conducted in kindergarten or grade 1, grade 2, or grade 3, or through teacher observations, must be given intensive reading instruction immediately following the identification of the reading deficiency. The student's reading proficiency must be reassessed by locally determined assessments or through teacher observations at the beginning of the grade following the intensive reading instruction. The student must continue to be provided with intensive reading instruction until the reading deficiency is remedied.

Beginning with the 2002-2003 school year, if the student's reading deficiency, as identified in the preceding paragraph, is not remedied by the end of grade 3, as demonstrated by scoring at Level 2 or higher on the statewide assessment test in reading for grade 3, the student must be retained (F.S. 1008.25 (5)(b)).

Identified Reading Deficiencies

Beginning with the 2002-2003 school year, if the student's reading deficiency is not remedied by the end of grade 3, as demonstrated by scoring at Level 2 or higher on the statewide assessment test in reading for grade 3, the student must be retained. The parent of any student who exhibits a substantial deficiency in reading must be notified in writing of the following:

1. That his or her child has been identified as having a substantial deficiency in reading.
2. A description of the current services that are provided to the child.
3. A description of the proposed supplemental instructional services and supports that will be provided to the child that are designed to remediate the identified area of reading deficiency.
4. That if the child's reading deficiency is not remediated by the end of grade 3, the child must be retained unless he or she is exempt from mandatory retention for good cause.
5. Strategies for parents to use in helping their child succeed in reading proficiency.
6. That the Florida Comprehensive Assessment Test (FCAT) is not the sole determiner of promotion and that additional evaluations, portfolio reviews, and assessments are available to the child to assist parents and the school district in knowing when a child is reading at or above grade level and ready for grade promotion.
7. The district's specific criteria and policies for a portfolio and the evidence required for a student to demonstrate mastery of Florida's academic standards for English Language Arts. A parent of a student in grade 3 who is identified anytime during the year as being at risk of retention may request that the school immediately begin collecting evidence for a portfolio.

Good cause exemptions are limited to the following:

The district school board may only exempt students from mandatory retention for good cause. Good cause exemptions shall be limited to the following:

1. Limited English proficient students who have had less than 2 years of instruction in an English for Speakers of Other Languages program.
2. Students with disabilities whose individual education plan indicates that participation in the statewide assessment program is not appropriate, consistent with the requirements of State Board of Education rule.
3. Students who demonstrate an acceptable level of performance on an alternative standardized reading assessment approved by the State Board of Education.
4. Students who demonstrate, through a student portfolio, that the student is reading on grade level as evidenced by demonstration of mastery of the Sunshine State Standards in reading equal to at least a Level 2 performance on the FCAT.
5. Students with disabilities who participate in the FCAT and who have an individual education plan or a Section 504 plan that reflects that the student has received intensive remediation in reading for more than 2 years but still demonstrates a deficiency in reading and was previously retained in kindergarten, grade 1, grade 2, or grade 3.
6. Students who have received intensive reading intervention for two or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, grade 1, grade 2 or grade 3 for a total of two years. A student may not be retained more than once in third grade.

Grading

- There are two methods used to communicate a student's progress with parents. Parent contact is made the first nine weeks. Report cards are sent home every nine weeks. Grading is based on the philosophy that children grow and develop at different rates.
- Conference Alert/Progress Report - Parents shall receive a conference alert if there are concerns about the student's social/academic/developmental progress. Notification shall be documented by the classroom teacher. The school will be responsible for maintaining documentation of parent notification. However, the failure to advise the parent of the student's academic progress shall not be grounds for modifying a student's grade(s).

Records and Reports

- Student Records - A record of all promotions, retentions, administrative placements, or other types of special placement is considered Category "A" information and shall be recorded in the student's educational record according to the procedures specified by the Hardee County School Board Records Policy.
- Reporting to Parents - Student performance and progress shall be reported to parents through periodic progress reports; conference alerts and academic warnings; and standardized, State, and District assessments. Teachers will often initiate conferences, and, at their request, parents shall be provided the opportunity for a conference with school personnel. A written report of each student's progress in reading, writing, and math shall be distributed to the parent/legal guardian annually.
- If during the second semester, it becomes evident that a student is in danger of being retained, a parent/teacher conference should be held as early as possible but no later than the end of the third nine-weeks grading period. For those parents who are unable to attend a conference, or for whom phone contact has been impossible, written notification of the possible retention MUST be sent home, and reasonable attempts to schedule a conference must be made and documented. Parents will be afforded the opportunity for a parent-teacher conference at a mutually agreed time upon their request. Retention shall not occur without a notice for a parent-teacher conference.

JUNIOR HIGH:

The purpose of junior high school is to extend each student's literacy and study skills far enough to be able to master the academic challenges of high school. The most important indicator of whether your child is making adequate progress toward that goal is whether he is reading and writing on grade level. Elementary schools teach students to read fluently. Junior high school students learn how to understand what they read and use it to solve problems and draw conclusions. In every subject your junior high school child must be able to read well. All core courses require the ability to comprehend passages from textbooks, the internet and other sources. To succeed in junior high school, a student needs to understand textbooks, articles, poetry, essays, stories, novels, and technical descriptions of how things work. He has to build and draw on a much larger vocabulary, find data, summarize what he's read, figure out how to perform a task, and analyze different points of view about the same topic. Every junior high school teacher must teach his students the vocabulary of his subject area, how to utilize the source materials, and how to outline, take notes, figure out what's most important, and be able to explain what has been learned.

Your junior high school child should...

- Read a minimum of 25 books per year, including fiction and non-fiction books.
- Learn to organize his daily work and schedule his study time.
- Take useful notes and then use his notes to study from.
- Write clearly and at length about what he has learned in all his subjects.
- Conduct research both in the media center and on-line.

How to stay on top of what’s happening in school...

- Attend open houses. Meet the teachers. Ask for an outline of what will be covered in each course.
- Dump out the backpack every day to see what the school is sending home.
- Ask to see your child’s “Planner,” a tool for keeping track of assignments.
- Read the school newsletter.
- Visit the school’s website.
- Attend meetings of the School Advisory Council.

All middle school students must complete one course in career and education planning to be completed in 6th, 7th, or 8th grade. This course must result in a completed personalized academic and career plan for the student; must emphasize technology or the application of technology in career fields; and, beginning in the 2014-2015 academic year, must include information from the Department of Economic Opportunity’s economic security report as described in s. 445.07. The required personalized academic and career plan must inform students of high school graduation requirements, high school assessment and college entrance test requirements, Florida Bright Futures Scholarship Program requirements, state university and Florida College System institution admission requirements, and programs through which a high school student can earn college credit, including Advanced Placement, International Baccalaureate, Advanced International Certificate of Education, dual enrollment, career academy and career-themed course opportunities, and courses that lead to national industry certification.

FLORIDA STATE STANDARDS

The Florida State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects (“the Standards”) are the culmination of an extended, broad-based effort to fulfill the charge issued by the states to create the next generation of K–12 standards in order to help ensure that all students are college and career ready in literacy no later than the end of high school.

<http://www.cpalms.org/Resources/PublicPreviewResourceCollection.aspx?ResourceCollectionId=3>

ACCOMMODATIONS

Teachers help students learn the knowledge and skills outlined in the Sunshine State Standards. They use various teaching methods and materials to do this. Teachers connect their daily lesson plans to the benchmarks and grade level expectations. In middle and high schools, teachers follow the state's course descriptions that include the benchmarks.

Most students with disabilities are taught the knowledge and skills in the Sunshine State Standards in regular or special education classes. They take the Florida Comprehensive Assessment Test (FCAT) and work toward a standard diploma. Some students with disabilities need accommodations in order to master the skills and show what they know on the FCAT. Accommodations are changes to the way students with disabilities are taught or tested.

CLASSROOM ACCOMMODATIONS

Classroom accommodations do not change the expectations for learning. Here are some examples of classroom accommodations.

Teaching methods or materials

- Use a textbook written at an easier reading level
- Use diagrams to explain complex information

Assignments or tests

- Provide copies of lecture notes or transparencies
- Read questions out loud when taking a social studies test

Learning environment

- Use a study cubicle for independent work
- Use an individualized behavior plan

Time demands and schedules

- Allow more time to complete assignments
- Schedule more difficult classes in the morning

Assistive technology

- Use special communication devices
- Use a word processor or voice input device

Some accommodations used in classroom work are not allowed on state tests. For example, students are not allowed to use calculators for basic computation on the FCAT in grades 3-6. If your child is provided an accommodation in the classroom that is not allowed on the FCAT, you must be told about the potential consequences. You will be asked to sign your consent for its use.

FCAT ACCOMMODATIONS

The statewide testing program tells how well Florida's students are meeting the Sunshine State Standards. The FCAT tests skills in reading, writing, mathematics, and science. Students take these tests in grades 3 through 11. All students must make a passing score on the grade 10 FCAT in reading, writing, and mathematics to earn a standard high school diploma.

Students with disabilities may have accommodations for the FCAT, if they need them. The FCAT accommodations should be similar to those that the student uses in the classroom. The individual educational plan (IEP) team or 504 plan team decides which accommodations are needed and records that information on the student's plan.

FCAT accommodations do not change what the test measures. They only change the way the student takes the test. Here are some examples of approved FCAT accommodations.

Presentation

- Use a Braille or large print version
- Use a blank card or tool to focus attention on the questions
- Have the test directions read aloud, signed, or simplified

- Have the writing prompt or math or science questions read aloud or signed. (Passages and questions on the reading tests may not be read aloud or signed.)

Responding

- Mark the answers directly on the test or on a separate paper
- Tell or sign answers to the test supervisor
- Braille answers on separate paper

Schedule

- Take parts of the test in short time periods with breaks
- Use extra time in the testing session to complete the test

Setting

- Take the test alone
- Take the test in a small group
- Use adaptive furniture or special lighting or acoustics

Assistive technology

- Use calculators for complex computation in grades 7-10
- Use technology for writing answers to extended response questions
- Use visual magnification or auditory amplification

Some students with disabilities need a unique accommodation that is not listed in the FCAT manual. For example, a student who uses a special type of assistive technology to communicate may need a unique accommodation. The use of a unique accommodation must have approval from the Commissioner of Education.

Special Exemption

A student with a disability working toward a standard diploma may request a special exemption (waiver) from the FCAT required for high school graduation if the test results would reflect impaired sensory, manual, or speaking skills rather than the student's achievement. The school district superintendent must make this request in writing to the Commissioner of Education.

Alternate Assessment

To provide an option for participation of all students in the state's accountability system, including those for whom participation in the general statewide assessment (FCAT) is not appropriate, even with accommodations, Florida has developed the Florida Alternate Assessment. The alternate assessment design is based on the Sunshine State Standards Access Points for Students with Significant Cognitive Disabilities in Language Arts (Reading and Writing), Mathematics and Science. Access Points represent the essence of the Sunshine State Standards with reduced levels of complexity: Participatory, Supported and Independent, with the Participatory Level being the least complex. This tiered process provides students the opportunity to work to their potential for each item in each content area. It is expected that only students with the most significant cognitive disabilities who are eligible under IDEA and that the IEP team has determined that the student will participate in the Florida Alternate Assessment. A student who takes the Florida Alternate Assessment is generally working toward a special diploma.

This information includes the student's full name, location and dates of last school attended, days present, days absent, date of enrollment and withdrawal, courses taken, achievement record, graduation date and requirements.

Notification of Rights for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her

professional responsibility. [Optional] Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

[NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

AHERA: Asbestos Hazard Response Act

Dear Parent,

In 1986, Congress passed the Asbestos Hazard Response Act (AHERA). The law required all schools, kindergarten through twelfth grade, to be inspected for asbestos-containing materials.

Hardee County School Board contracted with PSI to bring our schools into compliance with the AHERA regulations, PSI is the nation's largest and most experienced environmental engineering and analytical testing firm specializing in asbestos.

The objectives of our contract with the consulting firm were to:

1. Sample, analyze and quantify asbestos-containing materials in our schools.
2. Determine any potential for exposure of building occupants to asbestos fibers.
3. Provide recommendations for corrective actions.
4. Establish priority levels for abatement activities.
5. Provide estimates for removal and replacement of asbestos-containing materials.

Our schools were inspected, in accordance with the law, by EPA accredited PSI Inspectors. We are happy to report that we have cleared all friable asbestos from our district. The only asbestos remaining is floor tile and some ceiling tile which has been removed or enclosed in many areas and sink barriers. We are happy to report there is no dangerous asbestos in any area.

If you have any questions, please feel free to contact the Asbestos Management Planner, at 863-773-9058.

A copy of the Management Plan is on file for your review at the school administrative office.
