Dear Parents,

I hope you and your child/children are doing well and are staying healthy. This is certainly a strange and stressful time, and we at HES want you to know we are thinking of you and miss our students. We take very seriously our job of educating your child, and we are committed to continuing their learning.

You should have already been contacted by your child's teacher. You may have been sent online resources and/or packets for your child to complete. You will continue to receive assignments and practice work for your child to work on. You may be asked to have your child watch a video on the internet or video chat with his/her teacher. We are working on making this as safe and easy an experience as possible.

We understand that all of this is new and at times can be frustrating to deal with. It is new to all of us. Please be patient with us educators and with your child as we move forward with learning. Encourage your child as he/she works, with love and support. Please come to HES and pick up a packet for your child. They are located in the front of the school building in the big black cabinet. If your child is having issues with an assignment or his/her emotions, reach out to us for help. **WE ARE HERE FOR YOU AND YOUR CHILD!**

May God bless you and keep you healthy until we see you again. Please feel free to call 267-8270 (leave a message and we will get back to you) or email [aperry@hatchschools.net](mailto:aperry@hatchschools.net).

Sincerely,

Ms. Perry
