

**CHAPTER 5.00 – STUDENTS**

**REVOCATION OF DRIVER'S LICENSE OR LEARNER'S PERMIT**

**5.42**

In order to qualify for and maintain an Alabama Driver's License or Learner's Permit, a student between the ages of seventeen (17) and nineteen (19) must be either enrolled in a public school, enrolled in a GED program, enrolled in a job-training program approved by the State Superintendent of Education, or exempted for circumstances beyond the control of the student as defined by the State Department of Education guidelines.

The Henry County Board of Education will verify the enrollment status of a student upon request.

The Henry County Board of Education will notify the Department of Public Safety when a student has more than ten (10) consecutive or fifteen (15) cumulative days of unexcused absences during a single term.

A student may appeal the Board's determination of his enrollment status by providing written notification to the appropriate school principal of the intent to appeal. The notice must state the reasons for the appeal and be filed within fifteen (15) days of the Board's issuance of enrollment status. Except as stated herein, the Board will treat the appeal procedurally the same as the process for long-term suspension or expulsion of a student.
