

Chapter 5.00 - STUDENTS

HENRY COUNTY VIRTUAL OPTION

5.24.1

To allow students an opportunity to earn credits and scheduling flexibility through a virtual option for students in Grades 9-12, while creating a pathway to graduation through a virtual education program.

- I. The Henry County Board of Education shall create a virtual pathway or virtual education option that will lead to an online pathway to earn a diploma for students in Grades 9-12 who reside within the attendance areas served by the Board. This program shall be known as the Henry County Virtual Option.
- II. The Superintendent shall cause to be created guidelines for enrollment and participation for students choosing the Henry County Virtual Option, consistent with Alabama Legislative Act No. 2015-89, and any subsequent legislation or directives provided by the Alabama State Department of Education.
