

Mrs. Sneed

Geometry/Honors Geometry/Algebra Supply List

- 3 ring binder (2" minimum)
- 1 package index dividers
- Loose leaf paper (wide ruled)
- Pack of glue sticks (at least 3)
- Highlighters (at least 2)
- Pencils (your preferred type)
- Some form of colored pens for graphs (thin markers, colored pencils, or pens)
- *Calculator for homework (at least a scientific model)
- Compass and Protractor Set (can buy individually or as a set)

***Calculator Note: A classroom set of TI-84 graphing calculators will be available for daily use but students will not be allowed to take them home. I highly recommend that your student have their own graphing calculator before taking the ACT as a Junior. They range in price from \$100-150, but will be beneficial to a better ACT score and future college math courses. It is certainly not mandatory that they own one this year.**

The following items are **optional** but the student will receive **2 homework passes** for contributing one of these items to the classroom.

Note: A student can **ONLY earn 2 passes** so don't let them go on a buying frenzy

- 8 pack of AAA batteries (no Dollar Tree or Dollar General brands please)
- 6 pack of paper towels
- Clorox Disinfecting Wipes value pack (3 containers)
- 8 Expo Dry Erase Markers (preferably black, blue, red or green)
