

# **McDowell Middle School Installation of Fire Line & Fire Hydrant Construction will begin on April 3<sup>rd</sup>, 2017**

Completion of Fire Line & Fire Hydrant is scheduled for April 17, 2017

Below is a general description of this project for the public's information:

A fence will be put in place along Avenue Q at intersection of 28<sup>th</sup> street – going up in the mornings at 9:00 a.m. and removed every afternoon at 2:30 p.m. A hole will be made in the street in order to make the water connection which will be covered with steel plates for vehicles to pass over. A flagman will be present during the construction between the hours of 9:00 a.m. to 2:30 p.m. The scheduled time to make the water connection is 5 days, **from April 3<sup>rd</sup>, 2017 – April 8<sup>th</sup>, 2017.**

**From April 9<sup>th</sup> 2017 – April 17<sup>th</sup>, 2017,** we will be excavating/installing pipe from the water connection at the intersection of Avenue Q and 28<sup>th</sup> street, down 28<sup>th</sup> street to the west, toward the construction entrance (McDowell Building E/New Science Building) or approximately 240' from the intersection of Avenue Q and 28<sup>th</sup> Street, and installing a new fire hydrant. There will be fencing installed approximately 15' from the north side of the curb along 28<sup>th</sup> Street, almost to the middle of 28<sup>th</sup> Street for the remainder of the project. An opening will be maintained for bus turn-arounds at McDowell.
