

**HCS #LearningLeader**  
**Mr. Donald Burton**

**HVAC-R Kitchen Technician/Operations**

**Time with HCS:** 9 years

**Hometown:** Concord, Ala.

**Preferred Hangout:** Smith Lake

**Favorite Food:** Steak and Eggs

*"The system works together for the education of our children. My small part in this system is keeping the kitchens' equipment running smoothly. This allows the Child Nutrition Program to feed the children efficiently. A child cannot concentrate on learning if hungry. We feed their stomachs to allow the teachers to expand their minds."*
