

Public School Employees Retirement System (PSERS) Members may receive a benefit estimate by:

1. Contacting PSERS at 1-800-805-4609 and requesting a benefit estimate be mailed to you. Please allow up to 30 days for the estimate to be generated and mailed to your home address.
2. Generate a benefit estimate online by logging into your PSERS account at www.ers.ga.gov.
 1. Click on the "account access" button on the right side of the home page.
 2. Click on the "account access" button in the center of the account access page.
 3. Log into your account. If you have not previously registered, you will be asked to do so before you can access your personal account information.
 4. From the Member Desktop, you will be able to view your personal information and run a benefit estimate.
