Dr. Scott Presented Ga. School Superintendents Association President's Award

HOUSTON COUNTY, GA – Houston County Superintendent of Schools Dr. Mark Scott was presented the President's Award by the Georgia School Superintendents Association (GSSA). He was honored during the GSSA spring conference held this month in Savannah.

Regional Educational Service Agency (RESA) directors nominate superintendents based on their unique approach and success in educating children in their communities. Award recipients are recognized for innovative methods used to create a different path for the children they serve.

Dr. Scott was nominated by Carolyn Williams, executive director of Middle Georgia RESA. Middle Georgia RESA is comprised of these eight districts: Bibb, Crawford, Houston, Jasper, Jones, Monroe, Peach and Twiggs. Altogether these school districts serve more than 70,000 students.

In the nomination packet, Williams wrote: "It is with extreme pride that I nominate Dr. Mark Scott for the 2018 GSSA President's Award. He is respected and admired by his colleagues in the Middle GA region and serves as vice-chair on the Middle GA RESA Board of Control. The driving force behind all of his decisions is doing what is best for the children and youth entrusted to his care. As an outstanding leader and one who impacts the world positively, Dr. Mark Scott is careful and judicious with his words, actions and behaviors. He operates with heart and cares deeply about his leadership, communication process and style, and the influence he has with others."

For more information about this award, contact Williams at 478-988-7173. One may also contact the GSSA Executive Director, Dr. John Zauner, at jzauner@gssaweb.com or 678-857-3783.
