Langston Road Elementary Principal Dr. Mayfield Elected GAESP President

HOUSTON COUNTY, GA – Langston Road Elementary School Principal Dr. Elgin Mayfield was sworn in as president of the Georgia Association of Elementary School Principals (GAESP) on July 10, 2018. Dr. Mayfield will serve in this office through June 2019.

“I am very excited to serve the elementary principals of our state in this new capacity,” stated Dr. Mayfield. “I am humbled by their belief in me, and I will strive daily to live up to the challenge.”

GAESP strives to equip leaders with research-based practices that advance student learning. The organization believes that:

- education is a collaborative effort involving schools, families and community;
- all children can and will learn;
- elementary schools provide the foundation for future education;
- communication is the key to success;
- the principal is the instructional leader of the school; and
- high expectations for all children and staff are essential.

Membership in GAESP is open to all elementary school principals and assistant principals. GAESP is one of seven professional associations affiliated with the Georgia Association of Educational Leaders (GAEL). The mission of GAEL is to improve public education in Georgia through high quality leadership development, advocacy and a resource network for education.
