Course ID:	PLU140011
Title of Workshop:	More Cool Tools for School
Date(s) of Workshop:	Monday: March 3, 10, 2014; Wednesday: March 5, 12, 2014
Beginning Time:	4:00pm

Ending Time:	6:30pm						
Location:	Houston Crossroads Center--Computer Lab Room 502						
Instructors:	Kristen Honaker and Angela Karros						
Target Audience:	Classroom teachers, media specialists, and paraprofessionals						
Class Limit:	15						
Description:	<p>This class is an introduction to some of the latest and greatest web 2.0 and online tools that can be used in any classroom, grade level, and subject area. Some of the topics that will be covered in this class include: Symbaloo, Thinglink, Blendspace, LiveBinders, WingClips, Wordle, Khan Academy, Voki, Today's Meet, & Infuse Learning. We will also do a brief overview of Edmodo as well as provide some information about great additional resources that are specific to certain subject areas that participants can further explore on their own. Come have some fun with technology and turn your classroom into a 21st Century Learning Center! This class is for both beginners and advanced users of technology. Newbies are welcome--in fact, we love getting people on board with technology! After instruction is given, this class will include ample hands-on time for optimal learning. Participants are encouraged to bring materials to class that will aid them in creating usable, relevant resources during our sessions. The last sessions will be tailored to meet your specific needs.</p>
