HB224 School Transfer Option Based on Space Availability

HOUSTON COUNTY, GA – The 2017 Georgia General Assembly approved House Bill 224 (HB 224), for military service members who live in base housing. HB 224 allows military families the option to request a school transfer for his/her child, *based on space availability*, if the family resides on base or in off-base military housing.

In accordance with the law, the Houston County School System created a process for parents to exercise a school transfer option and process to determine space availability. Information about HB 224 is posted to the system website, www.hcbe.net, to include implementation procedures, a list of schools with available classroom space as of Aug. 15, 2017, and an application to request a transfer.

As of the tenth day of school, 13 elementary schools had grade-specific openings: Centerville, Hilltop, Kings Chapel, Langston Road, Lindsey, Miller, Morningside, Northside, Parkwood, Pearl Stephens, Russell, Shirley Hills and Westside. Warner Robins Middle and Thomson Middle also have space available. **The openings are grade specific, as shown on page three. All high schools are at capacity.**

Houston County bases availability on 80 percent capacity in classrooms. The list of schools with classroom space available was finalized based on the tenth day of school enrollment, August 15, 2017. This allowed time for a more accurate enrollment number at each school based on new students and school withdrawals.

Parents who desire to request a school transfer may print a “2017-2018 Application to Request Public School Transfer” from the website or pick up a form from any school. Applications are accepted from July 1, 2017, through August 21, 2017. **Applications must be postmarked by August 21, 2017.**

Applications will be approved based on the order in which they are received. Families that request a transfer will be notified of approval or denial by August 28, 2017.

After August 21, applications must be received within 10 school days of a military service member, who lives on- or off-base in military housing, enrolling or providing change of address documentation to Central Registration.

All students will begin the school year at their home-zoned school. Approved transfers will be effective by September 5, 2017, following notification. Parents who transfer their children under HB 224 are required by law to assume all costs and responsibilities related to the transportation of the student to and from school as long as the child remains at that school.

Applications for transfer must be mailed to the Assistant Superintendent for School Operations, Dr. Richard Rogers. The address is: Houston County Board of Education, P.O. Box 1850, Perry, Georgia, 31069. **Schools are not accepting these applications.**

Information regarding HB 224 is posted to the Board of Education website on the [School Zones webpage](#). The following is posted and provided below: list of schools with available classroom space, implementation procedures and an application to request a transfer through HB 224.
