ATTENTION 8TH GRADE PARENTS/GUARDIANS

Your student is currently receiving breakfast and lunch at no cost as part of the *Community Eligibility Provision*. **This benefit will NOT continue into 9th grade. Your child may not be able to eat at no cost next school year.**

However, your student may be eligible to receive free or reduced price meals regardless of their school location. To determine your child's eligibility, you must complete a 2014-2015 Free and Reduced Price Meal Application. The application will be mailed directly to you during the month of July OR **you may apply online after July 1 at www.houston.schoollunchapp.com.**

Upon receipt of the application, our office will determine, in accordance with federal guidelines, whether your child is eligible to receive free, reduced, or full price meals. You will be notified of your child's meal status once the application has been processed.

If you do not complete a 2014-2015 Free and Reduced Price Meal Application, you must provide the funding necessary to feed your child beginning July 31, 2014. High school meal prices are \$1.50 for breakfast and \$2.50 for lunch.

If you have any questions regarding the information in this flyer, please contact Robin Black, Houston County School Nutrition Free and Reduced Secretary. She can be reached at (478) 322-3308 or Robin.Black@hcbe.net.
