

Please check one below and return to your school counselor:

- ENGINEERING (girls)
- HEALTHCARE (guys)
- AUTOMOTIVE (girls)

Applications due April 29

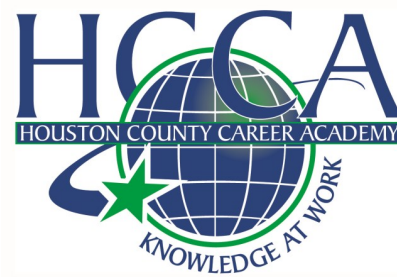

Our Program Our Purpose

Currently there are exceptional career opportunities for females in the fields of Engineering and Automotive and for males in the field of Healthcare.

The purpose of this camp is to expose students to career opportunities in these nontraditional fields.

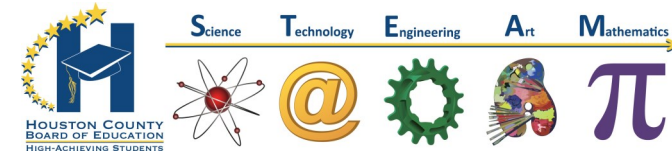

Make the most of your summer by taking a step closer to your future!

Non-traditional STEM Jobs, Non-traditional Camp!

STEM SUMMER CAMP

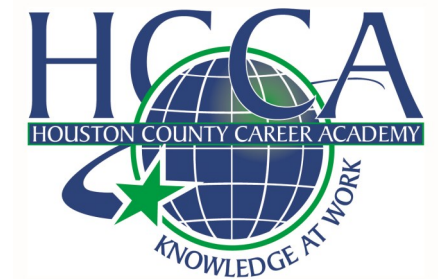

Engineering,

Healthcare &

Automotive

June 2-5, 2014

Girls' Engineering Camp Overview

Campers will investigate various engineering fields, meet women engineers, participate in daily hands-on activities, and design projects.

Guys' Healthcare Camp Overview

Campers will investigate various healthcare fields, meet healthcare professionals, participate

in hands-on activities, and have an opportunity to earn CPR certification.

Girls' Automotive Camp Overview

Campers will be introduced to emergency roadside repairs, maintenance, and general repair techniques in a hands-on, laboratory environment.

Don't miss out!
