Verifying Pages

You can try the telephone number. I did not have luck getting it to work with an extension.

Enter Phone Number

Enter a publicly listed phone number for your business or organization.

We'll call you with a verification code to confirm you're at the business or organization this Page represents. Your privacy is important to us. Your phone number is for verification only and won't be shared publicly.

Business Phone Number

Extension (Optional)

Country

Call Language

By continuing, you agree to receive an automated call from Facebook at the number listed above. You will accept any resulting charges from your phone company.

[Verify this Page with documents instead.](#)

I suggest verifying with a document instead.

Verifying Pages

Send Documentation

Please upload a picture of an official document showing your business or organization's name and address. This will help us confirm you're an authorized representative of **Langston Road Elementary**.

You can use a:

- Business utility or phone bill
- Business license
- Business tax file
- Certificate of formation
- Articles of incorporation

Your privacy is important to us. We'll only use this document to verify your business and will never share or post it publicly.

Business Documentation

Please upload a file in one of these formats:
.doc, .docx, .pdf, .jpg, .jpeg, .png

Age Restrictions Page is shown to everyone.

For the district page I used a bill from our Macon Telegraph subscription.

Be sure the address on the document is the same as the one on Google and your school's website!
