Let the 2019-2020 School Year Begin!

Hello, all! I would like to be the first to welcome all students and parents to the 2019-2020 school year. While the first student day is not until August 2, we at Inspire Academy have been working hard to ensure that the 2019-2020 school year is a great one. On the horizon there are a few events that parents and students should be aware of. The dates of these events are included on the lefthand side of this newsletter and summarized below. See everyone soon!

Policy Updates

1. Students will no longer be allowed to use cell phones during the school day. If a student brings a cell phone it will be collected at the beginning of the day and stored in the Principal's office or, in the case of a MS student, they may be stored in their lockers. Lockers will be assigned prior to the New Parent and Student Orientation Night.

2. Regarding student lockers: *Middle School students will need to provide their own locks for lockers. Locks can be purchased from the school at minimal cost. All keys and combinations must be provided to Inspire Academy staff. School administration reserves the right to search lockers at anytime. Should the need arise school administration also reserves the right to cut the lock absent the ability to acquire combination or key.*

3. Regarding student computers: *Students and parents will be held accountable for any damage to these devices. Parents may incur a charge in the event of device damage.*

Kickoff to Kindergarten (Sponsored by BY5)

This event will be run by Ms. Kayla Cange, Kindergarten Teacher, and Ms. Connie Criswell, Pre-K Teacher, and is for our incoming Kindergarteners.

It is a great way to get your child a jump on the 2019-2020 school year! Please complete and return the attached sign-up sheet and complete the student enrollment process prior to the July 18.

Family Pool Party

This is great opportunity to meet the Inspire Academy community! In addition to Inspire parents and students, some Inspire staff will also be on-hand.

New Parent and Student Orientation Night

New parents and students are required to attend this night of orientation. We will cover curriculum, expectations of students and parents, the policies from the Family/Student Handbook, and in general what makes Inspire great! Your student will also receive his/her schedule. If time allows there will also be an opportunity to visit your child's classroom and meet his/her teacher(s).

Returning Parent and Student Orientation Night

Returning parents and students are highly encouraged to attend this night of orientation. We will cover curriculum, expectations of

students and parents, the policies from the Family/Student Handbook, and in general what makes Inspire great! Your student will also receive his/her schedule. If time allows there will also be an opportunity to visit your child's classroom and meet his/her teacher(s). If you are unable to attend,

please call our office to arrange a time to pick-up your son/daughter's schedule at our main office between July 29 and August 1.
