Summer Jr. Crimson Volleyball League

The Jacksonville High School volleyball program will be running a girls Junior Crimson league for incoming 6th and 7th graders. *This will include girls that are going to be in 6th or 7th grade starting the fall of 2017*. The league will include 5 nights of volleyball. Each player will receive a t-shirt and be placed on a team that is coached by a high school player. There will be 6 teams and each game night teams will play 2 matches. The matches will take place at 6pm, 7pm, and/or 8pm.

Teams are taught the 6-2 offense. This is the offense we run at both the junior high and high school level. It is a difficult rotation to learn. Being given the chance to do this a year or two before they come to junior high will benefit these kids as well as our district volleyball program.

Each player must come with gym/volleyball shoes, knee pads, shorts (The gyms will be warm), and their team shirt. Team shirts will be passed out before your first match on June 7.

The first **60 players** will be accepted into the league. The cost will be $50.

The league will be held in the JHS gyms and the dates are as follow:

Tuesday, May 30: Basic skills session 6-8pm @JHS

Wednesday, June 7: Game night

Wednesday, June 21: Game night

Thursday, June 29: Game night

Wednesday, July 5: Game night

Deadline: May 19, 2017
