

Jacksonville School District #117

Emergency Snow Routes 2016-2017

Bad weather or poor road conditions may cause the use of snow routes. A public announcement shall be made by School District 117. When snow routes are announced they are used all day or on both AM and PM routes. Parents need to be at the stops to pick up their children in the afternoon, as drivers are instructed not to let children off the bus unless they live close by, or unless someone is waiting to pick them up.

Students will ride their regular AM & PM bus. Routes or stops in town will be the same as normal; however, snow routes or stops in rural areas are as follows:
