

Jefferson County Schools: 20/20 Vision for Blended and Personalized Learning

Educators

Work in collaborative partnerships to support innovative approaches to personalized learning.

Students

Engage as digital citizens creating personalized learning paths toward mastery of skills for post-secondary success.

School Structures

Provide embedded technology to personalize instruction and assessment, meeting the unique needs of each student.

Parents and Community

Act as partners to support students' learning experiences while enhancing their academic, social, and emotional growth.
