Jefferson County Schools will have a **Kindergarten Round-Up** for registration of all children who will be eligible for Kindergarten the fall of 2017. **Registration will be held at each elementary school on Friday, April 21, 2017. Please see the individual school schedule listed below.**

Before you bring your child to register, please make note of the following:

Age Requirement: A child must be five (5) years old by August 15, 2017 in order to attend this coming year.

Required Screening: The Family Resource Center is now scheduling appointments for the kindergarten screening process. Please call 397-4466 immediately if your child has not been screened.

Kindergarten is mandatory in Tennessee: All children must have a kindergarten experience prior to entry into first grade.

Birth Certificate: A certified copy of the birth certificate must be presented to the school prior to the child's entrance into kindergarten. *(Contact the local health Department @ 397-3930 if you need help getting a certified copy of your child's birth certificate.)*

Health Examination: Each child must show evidence of a physical exam. The exam must have taken place no longer than 6 months prior to entry.

Certificate of TN Immunization form: Each child must have at least the following immunizations: diphtheria, measles (rubella), pertussis (whooping cough), poliomyelitis, rubella, mumps, hepatitis A and B, tetanus, varicella, and pneumococcal on the form prescribed by the Commissioner (unless otherwise exempted by law) prior to admitting a child. Your own doctor, health provider or the Department of Health Office in Dandridge (Ph 397-3930) can provide you with the proper Tennessee Immunization Card.

Proof of Residency Documentation:

Proof of residence is required when a student initially enrolls in a school and whenever a change of residence occurs. The principal or his/her designee shall accept the following records as proof of residency:

1. A lease or rental agreement consisting of written evidence that the agreement is valid and current, and a current utility bill (gas, electric, water, home telephone, or cable). Records must include the name and street address of the parent/guardian.

OR

2. A current residential property tax statement or deed, and a current utility bill (gas, electric, water, home telephone, or cable). Records must include the name and street address of the parent/guardian.

OR

3. A third-person affidavit of residency completed with the school system.

The notarized affidavit shall be completed and signed by the parent/guardian, as well as the legal owner or lesser of the property where the student and parent/guardian reside. The affidavit will be in effect until the parent/guardian provides the required proof of residence, but no longer than the end of the current school year.
