Greetings Jennings Warriors,

Please know that Aramark is committed to providing our students with quality food and it is our intent to increase our inspection process as it relates to all food products served throughout the Jennings School District.

I want to take the time to sincerely apologize for an incident regarding the distribution of food that took place at Jennings Senior High School on Tuesday, May 14, 2019.

Upon investigation, this product was missed during the rotational process know as "first in first out". When the student brought this to the managers' attention, Aramark took immediate action ensuring that all food product was checked for freshness.

Again, we offer our deepest apologies regarding this incident.

Sincerely and respectfully,

Edith M. Crossland
Food Service Director
