Who must attend school in Idaho? ([Idaho Code 33.202](#)) Idaho law requires that all resident children between the ages of 7 and 16 must attend school. In this district, a resident child refers to a child whose parents' or legal guardians' home is located within the boundaries of the Kamiah School District.

Does my child have to have all of his/her Immunizations before I can register him/her for school? ([Idaho Code 39-4801](#)) Idaho Code Section 39-4801, Idaho Department of Health and Welfare Rules, IDAPA 16, Title 02, Chapter 15 "Immunization Requirements for Idaho School Children." All children in pre-school or entering into grades K-12 must meet immunization requirements at registration and before attendance. No Child shall attend school without proof of immunizations status. [Idaho Immunization Requirements \(Spanish Version \)](#).

Exemptions to Immunization Requirements: Idaho law allows a parent/guardian to claim an exemption from immunization requirements for their child for medical, religious, or personal reasons. All exemptions must be documented on the official Idaho Exemption Form provided by the Idaho Department of Health and Welfare, Immunization Program (available at www.immunizeidahoschools.com). A medical exemption requires the signature of a licensed physician and certification that the child has a medical condition, which prevents him or her from receiving one or more of the required vaccinations. The law does not allow parents/guardians to claim an exemption because the record is lost or incomplete, or because it is too much trouble to contact the physician or clinic and obtain a copy.
