Knob Noster Public Schools Selects Rachel Snow as New High School Math Teacher

Knob Noster Public Schools has selected Ms. Rachel Snow to serve as Knob Noster High School Mathematics Teacher for the 2017-2018 school year.

Ms. Snow is a graduate of Grain Valley High School and is currently working on completing her Bachelor's Degree in Mathematics Education from University of Central Missouri.

Ms. Snow brings a passion for hands-on learning and discovery to the math classroom. Her desire for student success goes far beyond her personal love for math, teaching, and learning. Above all, she desires for her students to be successful and enjoy math.

.

When asked about the opportunity to teach at KNHS, Ms. Snow commented, "I am ecstatic to begin my teaching career as a Knob Noster High School math teacher. I look forward to being involved in the community and getting students excited about math."
