WALL OF HEROS

1951 LHHS Graduate, Henry Weatherford, Dies in Combat in Korea

Henry Weatherford, a 1951 LHHS Graduate, died on October 17, 1951, while serving in the U.S. Army. Just months after his high school graduation, Henry was serving in the Army Medical Corps in the Korean War. On October 17, 1951, during fighting on the Korean Peninsula, Henry put himself in harm's way to rescue and tend to the wounds of a wounded American soldier. Leaving the safety of a protected position, Henry acted heroically, bravely going into enemy fire to rescue his fallen comrade. Unfortunately, Henry was hit in the battle and lost his life trying to save the life of another.

At Lake Hamilton, Henry Weatherford was involved in many activities including Student Council President, Drama, Bus Patrol, FFA, Annual Staff, and Health Club. The Lake Hamilton School District is honored to have been a part of the life of this American Hero.
