SUBJECT: VENDOR LIST

Attached is a list of vendors used by Lake Havasu Unified School District during the time period 7/1/16 to 6/30/17. First, here is some general information about how vendors are chosen and details about a few of the vendors who provide services.

- Arizona school districts are regulated by procurement rules (Uniform System of Financial Records VI-G-9). Currently, school districts are required to obtain at least three oral price quotations for purchases costing at least \$10,000 but less than \$50,000, and at least three written price quotations for purchases costing at least \$50,000 but not more than \$100,000. For transactions to purchase construction, materials, or services costing more than \$100,000, sealed bids and proposals must be obtained.
- LHUSD#1 governing board policy requires approval by the board of all purchases greater than \$25,000.
- Whenever possible, local vendors are awarded bids and issued purchase orders; however in many cases LHUSD#1 is able to obtain better pricing by going through a cooperative such as Arizona State Purchasing Cooperative, SAVE (Strategic Alliance for Volume Expenditures), MESCC (Mohave Educational Services Cooperative) and 1GPA (1 Government Procurement Alliance). These cooperatives do the bidding for districts across the State of Arizona and, by doing so, are able to obtain volume discounts.
- The district's liability insurer is the Arizona School Risk Retention Trust (The Trust), and the worker's compensation provider is Arizona School Alliance for Workers (The Alliance). These are consortiums, and the majority of school districts in Arizona are members, allowing for lower annual premiums. Educational Technology Consortium provides the financial software utilized by LHUSD#1. Our membership through an intergovernmental agreement includes support, maintenance, and hosting.
- Taher is the food service management contract for LHUSD#1 and was awarded the contract after issuance of a request for proposals and the evaluation of the proposals by a qualified team of district employees. LHUSD#1 pays Taher a management/administration fee based on meals served (totaling \$34,744 in 2016-2017); however the majority of the expenditure covers food, supplies, labor, etc.

- The LHUSD Employee Benefit Trust (EBT) is the self insured program that provides benefits to LHUSD#1 employees, and a purchase order is issued in order to send premiums to the EBT.
- LHUSD#1 and Mohave Community College (MCC) have an intergovernmental agreement in order to provide dual enrollment classes to Lake Havasu High School students.

For questions regarding LHUSD#1 procurement, please contact Patti Bacer at 928-505-6942
