Enrolling as a Transfer Student

The Lake Ridge Schools accepts students who do not live within the school corporation boundaries as a Transfer Student via an Application Packet. Please contact the Assistant Superintendent, if you have any questions.

Criteria for Accepting Non-Resident Transfer Students

The following criteria will be used for accepting non-resident transfer students. A non-resident transfer student is one whose legal settlement is not within the boundaries of the Lake Ridge Schools.

- I. *A student requesting transfer shall complete the Application for Non-Resident Transfer Student together with the Transfer Request Agreement and submit them with all required documents to the Lake Ridge New Tech Schools **Central Office by December 10, 2018** for enrollment in Semester 2 of the 2018-2019 school year. Applications will be considered for Semester 2 depending on individual school capacity.*
- II. *The student requesting the transfer and the parent/guardian must both attend a Student/Parent Orientation, determined by the school, as part of the application process.*
- III. *A student requesting transfer to either Lake Ridge New Tech Middle School or Calumet New Tech High School shall hand-write a 300-word essay to the prompt provided in the Application packet. Parents of an elementary student shall write a one-page letter indicating why they are requesting the transfer for their child.*
- IV. *A student requesting transfer from another school district must submit a discipline record or letter from the transferring school acknowledging the student has not had any suspensions or expulsions within the previous 12 months and the transferring school district is aware of the student's request to transfer.*
- V. *A student requesting transfer from another school district shall submit transcripts from the home school. Kindergarten students requesting a transfer shall provide documentation from the pre-school they attended. Home-school students shall provide both transcripts and standardized test scores. If standardized test scores are not available, the student must schedule an appointment to take the NWEA Survey Assessment for the application to be considered complete.*
- VI. *The transfer request and letter will be reviewed by the Principal and or his/her designee. The following criteria will be used in analyzing the transfer request:*
 - a. *The parent/guardian and student shall agree to provide and shall provide transportation to and from the school.*
 - b. *The parent/guardian and student shall agree to and shall arrive on time and be picked up immediately following school dismissal or immediately following the conclusion of the school-sponsored activity in which the student participates.*
 - c. *The parent/guardian and student shall agree to the Lake Ridge New Tech Schools behavior policies.*
 - d. *The parent/guardian and student shall agree to the Lake Ridge New Tech Schools curriculum, including, but not limited to the Project-Based Learning, 1:1 Technology, College and Career Readiness, and all State and Local assessments.*
 - e. *A transfer request can be denied based on one or more of the following criteria:*
 - i. *The student has been suspended or expelled for more than 10 days in the 12 months preceding the request for transfer.*
 - ii. *The student was suspended or expelled for possessing a firearm, deadly weapon, or destructive device in the 12 months preceding the request for transfer.*
 - iii. *The student was suspended or expelled for causing physical injury to a student, school employee, or visitor to the school.*
 - iv. *The student was suspended for violating a drug or alcohol rule.*
 - v. *Admission cannot cause a class or section to become overcrowded or additional staff to be needed.*
 - vi. *The "student has a history of unexcused absences and the governing body believes that, based upon the location of the student's residence, that attendance would be a problem." (SEA 108)*
 - f. *Lake Ridge New Tech Schools enrollment capacity will be a consideration as to whether or not the student will be admitted.*

- g. *A student may be accepted if his/her needs can be accommodated with the current staffing and program offerings and whose enrollment does not adversely affect the programming for the resident students.*
 - h. *Under no circumstances will a transfer student be accepted solely for athletic reasons.*
- VII. *Following the review of the written documentation, an interview may be scheduled with the student and the parent(s)/guardian.*
- VIII. *A recommendation will be developed by the Principal or his/her designee and submitted to the Superintendent for whether or not to accept the transfer student.*
- IX. *Once the Superintendent or his/her designee makes the final determination, the parent/guardian will be notified.*
- X. *Capacity for each grade level in each building is determined annually following registration. Consideration as to whether the student will be admitted or a random drawing will take place will be based on capacity and the number of applicants. A random drawing will take place in a public meeting of the school board when the number of eligible transfer applicants exceeds the capacity of the grade level. When determining capacity, space needed for resident students, current transfer students, siblings of such students, and employees' children will be taken into consideration.*
- XI. *Priority preference will be given to students with a parent who is an employee of the school corporation or students with a sibling or other members of the household who are currently enrolled in the transferee's school district.*
- XII. *Students transferring to the Lake Ridge New Tech Schools from other schools or school corporations shall be placed in those classes or those grade levels for which their previous educational experiences appear to qualify them. Lake Ridge Schools reserves the right to change or modify such placements on the basis of application documentation, later information, testing, or investigation.*
- XIII. *Transfer students will not be eligible for academic awards such as Valedictorian or Salutatorian if they were not enrolled in the Lake Ridge New Tech Schools for all of their junior and senior years.*
- XIV. *Parents will be notified as to whether or not the student has been accepted for enrollment.*
- XV. *Lake Ridge New Tech Schools will not discriminate on the basis of race, color, religion, sex, national origin, age, handicapping condition, including Limited English proficiency, in its educational programs or employment policies by state and federal laws.*
