STEP 2.

You should see the iNOW log on page similar to the one below. Enter the **username** and **password** given to you by an employee at the school, and then click “**Login**”. The **password** given is temporary. After the initial log in, iNOW will prompt you to change the password to one that you prefer.

The image shows a screenshot of the iNOW login page for Lanett City Schools. At the top left, the text "InformationNOW" is displayed in a red serif font. Below this, a blue banner contains the text "LANETT CITY SCHOOLS" in white, all-caps, sans-serif font. The main content area is a white box with a thin border, containing the following elements: a "Username" label above a text input field with "Username" as a placeholder; a "Password" label above a text input field with "Password" as a placeholder; a blue "Forgot Password?" link; and a blue "Login" button. In the bottom right corner of the white box, the number "10880040" is visible.

If you continue to experience issues, please contact the school.
