

2022 NARRATIVE FOR TAX LEVY

Tax Increase Explained

For the 2021 tax levy, property tax assessments for locations within the Liberty school district were 3.26 million dollars.

The school district's total tax rate in 2022 was 3.8067% on total assessed valuation of 85.50 million dollars.

For the 2022 tax levy, property tax assessments for locations within the Liberty school district are estimated to be 3.49 million dollars.

The school district's tax total rate in 2023 will be 3.8067% for operations on the estimated total assessed valuation of 90.55 million dollars, this is the same rate as last year.

The increase of 7% in year-to-year revenues to the school district, is not due to action by the school board -- the overall tax base in the district grew due to increased property values and new assessments during the period.
