

# 2023 NARRATIVE FOR TAX LEVY

## *Tax Increase Explained*

For the 2022 tax levy, property tax assessments for locations within the Liberty school district were 3.45 million dollars.

***The school district's total tax rate in 2023 was 3.82% on total assessed valuation of 90.4 million dollars.***

For the 2023 tax levy, property tax assessments for locations within the Liberty school district are estimated to be 3.75 million dollars.

***The school district's tax total rate in 2024 will be 3.79% for operations on the estimated total assessed valuation of 99 million dollars, this is a slightly lower rate than last year.***

The increase of 8.6% in year-to-year revenues to the school district, is not due to action by the school board -- the overall tax base in the district grew due to increased property values and new assessments during the period.
