Superintendent's Comments:

Routine Consent

This month we routinely approve the FFA Test Plot Agreement. A new item on the agenda was to correct the amount paid for tuition reimbursement to teachers for continuing education as stated in Policy 5:105. This increase went from \$125 per credit hour to \$200. We had to approve a resolution for TRS to offer educators a saving plan with their TRS amount in accordance with the new law. Lastly, we are now in need of holding Cyber Liability Insurance since schools and businesses are being hacked into for ransom. We have to protect all our databases from being compromised.

Board Discussion & Action

The Liberty School board approved replacing the John Deere Zero-turn mower, while it had some trade-in value. Plus, this mower was in need of some very costly repairs. A new Tora Zero-turn mower will be purchased from Hoebing, Inc.

Ready for this to be Over!

Many school personnel have been able to receive the COVID vaccine. Hopefully, this will become more available to others in the community and help us put an end to the pandemic. Everyone is ready for this to be over!

Stay warm & Healthy!
