Superintendent's Comments

Closed Session Minutes

Every January and July, the school board must approve that the Closed Session minutes remain closed or decide to let them be open. We have always kept them closed. Also, the school board approves all Closed Session minutes older than 18 months to be destroyed, per school code.

PRESS and Other Policies

The second reading took place with an approval of the recent PRESS Policy and Policies 5:220 and 8:23. The two numbered policies stated have changes regarding paying substitute teachers and District vehicle use.

Economic Interest Forms

Every January, school board members are asked to complete their annual Economic Interest Forms. These are completed by those who supervise a department, administrators, and the school board members, as required by law. Then, the forms must be sent to the County Clerk.
