Board Member Discussion

Mr. Farley - Requested that Mrs. Lucas explain how the personnel changes would be made.

Mrs. Lucas explained that all employees would receive a ballot to vote if it would be an open or closed posting. A closed posting means preference would be given to personnel at the schools affected. Open posting, means anyone in system to apply for jobs. Ballots hopefully will be out by December 4, 2017.

Dr. Ed White – Excited about project and seeing a new school for Chapmanville

Mrs. Mendez – No comment

Dr. Pat J. White – This will be a great thing, all of our schools will be close together. Transportation and traffic issues will improve in this area.

Mr. Hardesty - This part of the county we are experiencing a growth in population, that is a good thing. We as a board will try to get the administration in this new facility established as soon as possible. Once it is determined if it is open or closed bidding, that will play a key role on who may want to bid on positions.
